शुभकामना संदेश

बड़ा ही हर्ष का विषय है कि रेक्रेड हार्ट स्कूल, झुमरी तिलैया इसी माह स्कूल की त्रैमासिक पत्रिका का प्रकाशन करने जा रहा है। पत्रिका विद्यालय का दर्पण होती है, जिसमें विद्यालय की समस्त गतिविधियों, विद्यार्थियों एवं शिक्षकों की एक झलक दिखाई देती है।

समाज और राष्ट्र के विकास में पत्रिकाओं का विशेष योगदान रहा है। स्वतंत्रता संग्राम के दौरान भी पत्रिकाओं के माध्यम से देशवासियों के मन में क्रांति के बीज बोए गए थे। मुझे आशा ही नहीं, बल्कि पूर्ण विश्वास है कि यह पत्रिका समाज और पर्यावरण के विकास में महत्वपूर्ण भूमिका निभाएगी। मैं पत्रिका और विद्यालय के उज्ज्वल भविष्य की कामना करती हूँ। पत्रिका के प्रकाशन पर विद्यालय परिवार को मेरी ओर से हार्दिक बधाई एवं शुभकामनाएँ।

From the Pen of Academic Director

It is a matter of pride for us that Sacred Heart School has entered the 25th year of its establishment. The school is going to publish its own magazine on the occasion of its Silver Jubilee. The school family is thankful to all our parents for the reverence and belief they have maintained for Sacred Heart School for over 25 years. It will be our constant endeavor to keep living up to the test of your expectations. Today this school has made its own identity in the field of education, discipline, sports, arts and social activities. This school has become a symbol of all round development of the children. We look forward to parents' continued support and suggestions. Magazine is the mirror of a school. It gives a glimpse of all the activities of the school. In this, the students of the school also get an opportunity to showcase their writing skills, which is a powerful medium to increase their confidence. It gives me immense pleasure to go through "The MIRROR School Newsletter", the quarterly magazine of our best known school, Sacred Heart School, Jhumri Telaiya, Koderma, Jharkhand.

The characteristic features of the magazine which merit the attention of the readers at first sight are wide coverage, various sections, easy-to-understand language and attractive getup.

For these remarkable qualities, I wish to congratulate the Patron, the Chief-Editor, Co-editors and all the different subject editors of various sections, Graphic Designer, whose joints & relentless efforts have been instrumental to the preparation of this magazine in the present form. Moreover, our students have equally enriched the magazine, its creativeness and beauty through their sustained contributions. From the Pen of Principal

*I have always dreamt of a school "Where the mind is without fear & Head is held high."
-(R. N. Tagore)*

In the past, the Principal word had been synonymous with an angry looking, red eyed fellow with a frightening and ferocious gaze, always threatening the staff members and the students with his wide-open eyes. But nowadays the definition of the Principal has dynamically changed. In real sense a Principal is he who bridges all the gaps between management & teachers, teachers & students in order to create a conducive and congenial atmosphere and with the help of his organizational skill and shared vision, takes the school to the new glories and greater heights despite the new challenges and hazardous situations in life.

Aristotle once said, "Educating the mind without educating the heart, is no education at all."

Even as we inculcate education to match the advancement in technology and globalization, we march our children ahead with ethos of moral values and principles. We endeavour constantly to instil the virtues like social obligations, compassion for the neglected and deprived communities, empathy for the downtrodden sections of the society. Our vision is to "Educate, Enlighten and Empower"; and it has proved to be effective and successful time and again, accepted and appreciated by the community. This school had a humble beginning in 1997, today has got around 2000 students and 100 staff members on roll.

As we are going to celebrate the silver jubilee of yeoman service, what comes to my mind is that, "Success comes to those who work hard and stays with those, who do not rest on the laurels of the past. We fortunately have a committed and supportive management, dedicated teachers and other staff members, caring and cooperative parents, which blend harmoniously to create a child centric education. It is natural to find in this ambience, the intensive use of variety of thinking activities, strategies and group dynamics so that the classrooms become alive.

This magazine "The MIRROR" will certainly prove a milestone that marks our activities, strategies and group dynamics.

This silver jubilee edition of the school magazine "The MIRROR" is a torch bearer that marks our growth, unfolds our vivid imagination and gives life to our thoughts and aspirations. It unleashes a wide spectrum of creative skills ranging from writing to editing and even in designing the magazine. I congratulate the entire editorial team for their hard work and dedication that has resulted in the publication of this issue of school magazine.

Now I would sum up with the most motivating lines of Robert Frost,

"Woods are lovely dark & deep,
And miles to go before I sleep.
But I have promises to keep,
And miles to go before I sleep."

BOOKS ARE OUR FRIENDS

"Some books are to be tasted,
others to be swallowed,
and some few to be chewed
and digested." (Francis Bacon)

Books are our friends,
It sounds a bit strange,
But it's a bitter truth,
Books are our friends.

They never teach to quarrel or fight,
They always try to educate
Like the sun bright,
Books are our friends.

Rabindranath Tagore with his literary works arose the feelings of freedom amongst us.

Poems and stories written in books are not only the means of knowledge and entertainment, but they also sometimes become the foothold of scientific inventions.

French writer Jules Verne, in his novel "From the Earth to the Moon", discussed about a spaceship on which two passengers from Florida traveled to space and returned to Earth through sea. In fact, at the time, when Jules Verne wrote this novel, not a single spacecraft was built in the world. Scientists invented the first spacecraft in 1969.

I would like to mention an incident related to books that once a foreigner was asked if the whole world was to be placed in front of you on one side and Shakespeare's works on the other, which one would you like to take? The man replied very simply that – I would prefer to take Shakespeare's works over the world empire.

Nehru Jee while coming down the stairs of Parliament and Dinkar ji climbing up the stairs of Parliament, Nehru ji's feet staggered and started falling, only then Dinkar ji raised his hand and took care of him. Nehru ji thanked him and said , unless you had been there today, I would have fallen. Dinkar ji replied, don't worry whenever politics falters, literature takes care of it. That is, literature has the power to handle politics and give a new direction to the country, that's why we should be friends with them. Whether it is about religion, culture, knowledge or science, everything is contained in books, that's why we should be friends with them. If you want the flowers of happiness to bloom in the garden of your life, I think you all should be friends with books.

मैग्जीन का प्रकाशन एक क्रांतिकारी कदम

आधुनिक एवं मनोवैज्ञानिक मानकों पर संस्कार युक्त शिक्षा देने हेतु कोडरमा जिला के विख्यात सेक्रेड हार्ट स्कूल के द्वारा विद्यालय पत्रिका प्रकाशित करने का निर्णय लिया गया है यह शिक्षा के क्षेत्र में क्रांतिकारी पहल है। इसका मैं तहे दिल से स्वागत करती हूँ। पत्रिका संचालन समिति को हार्दिक बधाई तथा शुभकामनाएं देती हूँ। आशा ही नहीं पूर्ण विश्वास है कि यह पत्रिका कोडरमा जिले की शैक्षणिक व्यवस्था में प्रतिस्पर्धात्मक वातावरण तैयार करने में अवश्य ही सफल होगा। आज के समय में इंग्लिश मीडियम स्कूल में बच्चों को पढ़ाना हर अभिभावक का सपना होता है, लेकिन कम आय होने के कारण कई अभिभावक ऐसा नहीं कर पाते थे। यहां के कम आय वाले अभिभावक भी अपने बच्चों को बेहतर शिक्षा दिलवा सके इस सोच को साकार किया निर्देशक श्री प्रमोद कुमार ने सेक्रेड हार्ट स्कूल की स्थापना कर। इसके लिए क्षेत्र की जनता उनकी आभारी है। कोरोना काल में जब अभिभावकों की आर्थिक स्थिति लॉकडॉउन के कारण चरमरा गई थी, वैसे समय में भी स्कूल मैनेजमेंट, सभी शिक्षक-शिक्षिकाएं खुद की आर्थिक स्थिति की परवाह किए बिना बच्चों को ऑनलाइन शिक्षा देकर अपने मानवीय संवेदना तथा मानव धर्म का परिचय दिया है जो कि अपने आप में एक मिसाल है। पत्रिका प्रकाशन के लिए मैं एक बार फिर से समस्त विद्यालय परिवार को हार्दिक बधाई देती हूँ।

मुखाग्नि

रामू काका आज बहुत खुश थे। बड़ी चहल-पहल थी उनके घर में। सभी लोग तैयारियों में जुटे थे। घर का कोना-कोना मानो खुशियों से झूम रहा था। आखिर आज उनके नवजात लाड़ले की छठी मनाई जानेवाली थी। घर में उल्लास का होना लाजिमी था। बेटा के लिए रामू काका और काकी ने कहां-कहां मन्तत नहीं मानी थीं। कौन से देवी-देवताओं के दरबार में माथा नहीं टेका था। रामू काका को पहली लड़की के पैदा होने के सात साल बाद बेटा हुआ था। घर में बघाई देनेवालों का तांता लगा था। मुहल्ले की भाभियों के साथ रामू काका की खूब हंसी-ठिठोली हो रही थी। ऐसे शुभ मौके पर पौनिया भी नेग मांगने से नहीं चूक रही थीं। तभी मलिनियां भौजी सोहर गाते आंगन में प्रवेश करती हैं और रामू काका से कहती हैं—देखा रामू बाबू, हमरा लाल पाठ के सूती साड़ी चाही। और हां, ई तेल से काम न चली। हमरा गमकौआ तेल चाहीं। अइसन तेल चाही कि पूरा मोहल्ला गमक उठी। रामू काका मुसकुरा उठे और कहा—भौजी चिंता के कौनो बात नहीं है। सभे मिली। जैसे-जैसे दिन ढलने लगा वैसे-वैसे मुहल्ले की महिलाएं उनके घर पहुंचने लगीं। कोई तेल लगाती तो कोई आलता से अपने पैरों को रंगती तो कोई बच्चे को देखकर काफी प्रसन्न हो उठती। रामू काका आंगन के कोने में बैठे सभी दृश्य देखते और कल्पनालोक की सैर कर लौट आते। शाम हो गई थी। अंधेरा घिर आया था। सबों के घर से जा चुकने के बाद रामू काका पत्नी के पास पहुंचते हैं और बेटे को गोद में लेकर घूमने लगते हैं। समय तेजी से निकलता जा रहा था और रामू काका के दोनों बच्चे बड़े होते जा रहे थे। बेटा रामू काका के लिए मानो खिलौना बन गया था। वे उसी के साथ दिन की शुरुआत करते और उसी का चेहरा देखकर सोते। मानो उन्हें जीवन की सबसे बड़ी खुशी मिल गई हो। समय का

सूरज बढ़ता जा रहा था। ...और देखते ही देखते बेटा न जाने कब सयान हो गई पता न चला। एक अच्छा सा घर—परिवार देखकर रामू काका ने अपनी बेटा राधिका के हाथ पीले कर दिए। वह बड़ी सुखी-संपन्न थी। किसी चीज की कमी नहीं थी उसे। सोने की छड़ी से कौआ हांक रही राधिका। अब रामू काका का लाड़ला श्रवण पढ़-लिखकर इंजीनियर बन गया था। कई अच्छे घरानों से रिश्ते आ रहे थे उसके लिए। रामू काका और काकी श्रवण की शादी को लेकर बड़े उत्सुक थे। उन्हीं रिश्तों में से दोनों ने एक लड़की को चुना और शादी कर दी श्रवण की। बहु ने आते ही घर-गृहस्थी संभाल लिया। रामू काका और काकी के दिन बड़े मजे से कट रहे थे। 70^{वां} वसंत देख चुके रामू काका एक दिन पत्नी से चर्चा करने लगे कि हम लोगों ने पड़ोस के मंदिर मरम्मति की मन्तत श्रवण के जन्म से पहले ही मानी थी। कई साल बीत गए, पूरा नहीं किया मन्तत को। अब तो हमारा श्रवण भी कमाने लगा है, रामू काका ने कहा। कल हम श्रवण से बात करेंगे और सारी बात बता देंगे। देखना वो मना नहीं करेगा। आखिर उसी के लिए ही तो हमने मन्तत मानी थी। दूसरे दिन रात में सबों ने साथ खाना खाया। फिर रामू काका ने कहा—बेटा, जब तुम पैदा नहीं हुए थे तभी तुम्हारे लिए हम दोनों ने पड़ोस के मंदिर मरम्मति की मन्तत मानी थी। अब माता रानी की कृपा से तुम्हारी नौकरी भी लग गई है। अगर कुछ पैसे मिल जाते तो मन्तत पूरी हो जाती। अभी श्रवण कुछ कहता ही कि बहु बोल उठी—देखिए बाबूजी अभी हमारे पास फिजूल खर्च के लिए पैसे नहीं हैं। आनेवाले दिनों में हमारे बच्चे होंगे। अगर गैर जरूरी कामों में ही पैसे उड़ा दिए तो बच्चों के भविष्य का क्या होगा? इतना कहकर बेटा-बहु अपने कमरे में चले गए। यह बात रामू काका को तीर की तरह चुमी। दोनों हक्का-बक्का रह गए।

अपनी चारपाई पर लेटे रामू काका के कानों में बहु की आवाज अब भी गूंज रही थी। बेटे के जन्म से लेकर पालन-पोषण तक का एक-एक दृश्य चलचित्र की तरह सामने आ रहा था। आंखों ही आंखों में दोनों की रात कटी। इस बात से रामू काका को ऐसा सदमा लगा कि उन्होंने बिस्तर पकड़ ली। कुछ महीने बाद सुबह में जब रामू काका देर तक नहीं उठे तो काकी उन्हें उठाने गईं। काकी ने देखा कि भगवान ने रामू काका को उठा लिया है। काकी रामू काका के पार्थिव शरीर को पकड़कर दहाड़े मारने लगीं। उनकी आवाज सुनकर बेटा-बहु और गांव वाले भी जमा हुए, तो देखा कि रामू काका परलोक सिंघार गए हैं। काका के अंतिम संस्कार की तैयारी चलने लगी। जब उनके मृत शरीर को खटिया से नीचे उतारा जाने लगा तभी बालसीत के नीचे एक पेपर मिला। रामू काका ने न जाने इस वसीयतनामा को कब बना रख था। गांव के सरपंच साहब ने वसीयतनामा को पढ़ना शुरू किया। उसमें लिखा था—मैं जीते जी अपनी सारी संपत्ति का बंटवारा कर रहा हूँ। घर-मकान मैं बेटा-बहु और पत्नी के नाम करता हूँ। लिखा था—जमीन को तीन हिस्से में बांट दिया जाए। एक हिस्सा बेटा-बहु को मिले, दूसरा हिस्सा बेटा राधिका को और जीवन-यापन के लिए तीसरे हिस्से का अधिकार मैं पत्नी को देता हूँ। ... और वसीयत के अंत में जो लिखा था, उसे पढ़ते-पढ़ते सरपंच साहब की आवाज रुक गई। मुंह खुले के खुले और आंखें फटी की फटी रह गईं। अंत में लिखा था—'मुखाग्नि का अधिकार मैं अपनी बेटा राधिका को देता हूँ।'

मैं गांव हूँ

मैं गांव हूँ, मुझे गांव में रहने दो।
जानता हूँ मेरे अंदर कुछ मुश्किलें हैं, कुछ पाबंदियां हैं,
मुझे मेरे उन्हीं पाबंदियों के साथ रहने दो।
मैं गांव हूँ, मुझे गांव रहने दो।

गूंजने दो गलियों में बच्चों की किलकारियां,
कर लेने दो उन्हें कभी छोटी कभी बड़ी बदमाशियां,
सभ्यता के नाम पर उन्हें किवाड़ में बंद मत करो,
उन्हें कभी मिट्टी तो कभी पीपल की छांव में रहने दो।
मैं गांव हूँ, मुझे गांव रहने दो।

मत करो घरों के आंगन का हॉल में परिवर्तन,
रहने दो घरों में कुछ मिट्टी के भी बर्तन,
मिट्टी की खुशबू सबकी सांस में रहने दो,
देखो आ रहे चांद और सूरज,
आंगन में ये सूरज चांद रहने दो।
मैं गांव हूँ, मुझे गांव रहने दो।

मत दो मुझे बिजली,
दीए की रोशनी आबाद रहने दो,
ले लो वापस अपने सप्लाई वॉल्टर,
मेरे कुर्रें की शीतल मिठास रहने दो,
जिससे फट जाए मेरे बच्चों के सर,
ऐसी पक्की सड़क की जगह मिट्टी की गली आबाद रहने दो,
उस मिट्टी में सने उनके पांव रहने दो।
मैं गांव हूँ, मुझे गांव रहने दो।

नहीं चाहिए मुझे आधुनिकता का अवलंबन,
बस रहने दो खेतों में गीतों के गुंजन,
ले जाओ मशीनों को खेतों से दूर,
मत दो उन्हें मशीनों के धूर की धूल,
लहलहाते खेतों की खुशबू बरकरार रहने दो
लाए हो शहरीकरण का प्रस्ताव?
रहने दो।
मैं गांव हूँ, मुझे गांव रहने दो।

Our National Flag

Our national flag is a precious thing which can't be expressed in a few words. It has a huge history and importance, where words and sentences are less and the feelings of nationalism and unity are more. Our national flag is the true reflection of freedom and liberty. "Our national flag doesn't fly due to the monument of wind, it flies due to the breath of soldiers who are standing on the border line to defend the citizens and national flag of our country." Whenever the beautiful curves of the flag touch the blue sky, our heart succeeds with a huge amount of energy and enthusiasm. It gives us pride. Our national flag has a long history as many battles are fought under this flag. This flag gave a true feeling of nationalism which helped the freedom fighters to sacrifice their lives on the battlefield. Our national flag is not just a piece of cloth, it is the feeling of the whole nation.

Our flag is not printed by colours, it is the colour of sacrifices and the blood of true nationalists and freedom fighters. Talking about the physical structure, our country has a "Tricolour" flag. It consists of saffron,

white and green stripes and at the middle of the white strip contains a blue Ashok Chakra. "Saffron, White and Green make a rainbow that was never seen before. The saffron represents "Courage". We get to see the feelings of courage in the hearts of the freedom fighters like Bhagat Singh, Subhash Chandra Bose, Mangal Pandey and Birsa Munda etc. The white strip presents peace and it can be noticed in Indian freedom struggle in case of wars where India stays neutral and tries to establish peace. The green colour shows the greenery and prosperity of the country. We get to see the green colour in the deep forests, beautiful valleys and agriculture etc.

Talking about its history, our national flag's proposal was firstly given by Mahatma Gandhi. Later onwards it was designed by Pengali Vekaiya with the dimension of 3:2. The Ashok Chakra was later shifted in the place of Charkha which represents the external law and 24 hours of day. It was firstly adopted by our constituent assembly on 22nd of July 1947 and hoisted in our country in Parsee Bagan.

It is the true feeling of nationalism where all castes and religions have the same sentiments for the national flag. We are getting a chance to draw out our feelings under "Azadi Ka Amrit Mahotsav" and highlight its craze in every corner of the country. We get to see our flag on the top of high mountains, we get to see it in "The international sports field" and it also reaches the top of the Moon and Mangal.

Lastly it is our responsibility to take our country to the top by giving respect to our national flag. In the present era we are touching the sky in science and technology, Art & Culture, Literature and sports. Our Tricolour flag is a glorified version of success traced as a beautiful element of success. Our flag is moving upward without any hurdle and there is no barrier till now which will stop its movement.

BUTTERFLY

There was a cute little butterfly,
which was moving all over the sky.
It's beautiful Wings were so colourful,
that made me attracted as it was so wonderful.
I wanted to catch that, but it was so mute,
and went to the sky by giving me a smile, which was so cute.
I tried to catch that, but my mother stopped me, and
told me that butterflies are always happy only in the
open Sky.

**ना पृष्ठो जमाने से
कि क्या हमारी कहानी है,
हमारी पहचान तो यह है कि
हम हिंदुस्तानी हैं।**

हमारा राष्ट्रध्वज, इससे पहले कि अपने तिरंगे झंडे के बारे में कुछ कहुं या बताऊं हमारा तिरंगा झंडा ही हमसे यह सवाल कर रहा है शहीद हुए जवानों की आंगन की तुलसी रोती है, शहीद हुए जवानों की विधवा की वेदना यह कहती है कि—

प्यार भी भर पूर गया — मांग का सिंदूर गया,
नन्हे नौनिहालों की — लंगोटिया चली गई
छोटी-छोटी बेटियों — की चोटियां चली गई
और आप के लिए तो एक आदमी मरा है चोटियों पर हमारे घर की
तों रोटियां चली गई।

और हम भूल जाते हैं उन परिवारों को जिसके पिता, भाई, पति कभी तिरंगे में लिपटकर आए थे उनके घरों में छोटे-छोटे बच्चे-बच्चियां अपने पिता के इंतजार में रहती हैं क्या बीती होगी उन माओं और पत्नियों पर जब उनको यह पता चलता होगा कि अपने देश की लाज बचाने के लिए खुद उनका बेटा तिरंगा ओढ़े आ रहा है।

हमारा राष्ट्रध्वज जो मात्र 3 घंटों में तैयार हो गया था उसने भी 90 सालों तक अपनी आजादी का सपना देखा था आज हम जो तिरंगा लहराते हैं और पूरे सम्मान के साथ सलामी देते हैं वह केवल उरंगों का तिरंगा नहीं है बल्कि लाखों-करोड़ों लोगों ने उसे अपने साहस, समृद्धि, परिश्रम एवं बलिदान से सींचा है।

हमारे राष्ट्रध्वज का जो महत्व है उसे मैं शब्दों में कैसे बयां करूं यह तो हृदय से आने वाला सम्मान है जब लोग अपने राष्ट्रध्वज को विश्व, ओलंपिक, अंतरिक्ष तक लेकर जाते हैं तब हमारा गौरव और सम्मान हमारी एकता सब हमारा तिरंगा झंडा दिखाता है वह दृश्य भी क्या दृश्य होगा जब हमारे देश के अनेक खिलाड़ी हमारे देश के ध्वज तिरंगा को सबसे ऊपर फहराते होंगे।

हमारे देश के ध्वज में जो तीन रंग हैं वह सिर्फ भावनात्मक ही नहीं बल्कि वैज्ञानिक रूप से भी बहुत सटीक हैं इसमें रंगों के चयन का आधार भले ही भावनाओं से प्रेरित बताया जाता है लेकिन पीछे विज्ञान भी है हमारे राष्ट्रध्वज में प्रयोग किए गए रंग देखने वाले की आंखों पर विशिष्ट प्रभाव डालता है और जब भी हम अपने राष्ट्रध्वज को देखते हैं यह हमारे ऊपर देश भक्ति का अलग प्रभाव डालता है और यही प्रभाव हमारे देश के लिए अत्यंत लाभकारी है पिछले 75 वर्षों में हमने अपने देश को बहुत आगे बढ़ता देखा है यही वह देश है जिसने "सतीप्रथा" को मात दिया। नारियों को सम्मान तथा इस भागदौड़ की जीवनशैली में योगदान दिलाया यही है वह प्यारा देश जिसमें अभी एक स्त्री पूरे देश को योगदान देंगी। श्रीमती द्रौपदी मुर्मू "जो आज भारत देश की आन बान शान है, तिरंगे को पूरे भारत में लहराएंगी।

इस वर्ष पूरा देश आजादी की 76वीं वर्षगांठ मना रहा है जिसे हम सभी भारतवासी आजादी के अमृतमहोत्सव के रूप में मना रहे हैं इस महोत्सव को अविस्मरणीय बनाने के लिए माननीय प्रधानमंत्री नरेंद्रमोदी जी ने हर घर तिरंगा अभियान का आह्वान किया है अभियान से जुड़ने के लिए हमें 13 से 15 अगस्त के बीच अपने घरों में झंडा फहराना है और 2 अगस्त से 15 अगस्त तक अपने सोशल मीडिया प्लेटफॉर्म के प्रोफाइल फोटो में तिरंगा का फोटो लगाना है। जैसा कि हम जानते हैं प्रत्येक स्वतंत्र देश का एक राष्ट्रीयध्वज होता है जो उस देश की स्वतंत्रता और गौरव का प्रतीक होता है तिरंगा भी हमारा यही गौरव है अनेक परिवर्तनों के बाद हमारे राष्ट्रीय ध्वज को यह स्वरूप मिला है 7 अगस्त 1906 में कोलकाता व पारसीबागान स्क्वायर (ग्रीनपार्क) में पहला भारतीय झंडा फहराया गया था इसे सचिंद्रप्रसाद बोस और हेमचंद्र कानूनगो ने डिजाइन किया था इस ध्वज में तीन क्षैतिज पट्टियां थी। हरा सबसे ऊपर, पीला बीचमें और लाल नीचे हरा पट्टी में आठ आधे खिले हुए कमल के पुष्प थे पीली पट्टी में बंदे मातरम लिखा हुआ था लाल पट्टी में सूर्य और चंद्र (आधा) था।

वर्तमान ध्वज का निर्माण पिंगलीवेंकैया ने किया था इस में दो पट्टियां थी लाल और हरा लोग लाल रंग को हिंदू समुदाय से जोड़ रहे थे और हरा रंग मुस्लिम समुदाय से परंतु यह विचार रख कर ध्वज नहीं बनाया गयाथा फिर लालाहंसराज ने इस में सफेद रंग जुड़वाया था 1931 को रंगों में भी बदलाव आया था जिसे हम वर्तमान ध्वज में देखते हैं 22 जुलाई 1947 में विधानसभा ने इसे स्वीकार किया था। तिरंगा तीन अलग-अलग क्षैतिज पट्टियां से बना हुआ है— केसरिया सफेद और हरा सफेद पट्टी के बीच एक नीला चक्र है इसकी विशेषताएं निम्न है —

**केसरिया रंग वीर बनाए,
हरा रंग हरियाली लाए,
सफेद रंग शांति दूत बनाए,
एक निल चक्र है इसके अंदर,
रात दिन यह काम कराए**

तिरंगा का नाम सुनते ही हमारे अंदर एक देशभक्ति का भाव जाग जाता है जब कोई ओलंपिक खेलों में भारत की जीत होती है और राष्ट्रीय गान गाया जाता है तिरंगे को लहराया जाता है तब हमें बहुत गौरव महसूस होता है इस बार भी टोक्यो ओलंपिक में भारत के खिलाड़ियों ने अच्छा प्रदर्शन किया हमारा देश किसी भी युद्ध में शांति का संचार करता है तिरंगे की सम्मान के लिए हम मर मिटने को तैयार हो जाते हैं शायद यही जज्बा वीर जवानों में है जो देश की सुरक्षा के लिए जीवन न्योछावर कर देते हैं। इसलिए सदैव हमें अपने राष्ट्रीय ध्वज का सम्मान करना चाहिए क्योंकि यह हमारी स्वतंत्रता और वीर जवानों के बलिदानों का प्रतीक है।

Students Speak

Azadi ka Amrit Mahotsav

"Let us soar our flag high and be proud to be an Indian."

Our National Flag is not only a piece of cloth with three colours but it is the symbol of sacrifices of our freedom fighters. Subhash Chandra Bose, Chandrashekhar Azad, Bhagat Singh, Mahatma Gandhi are just some names but there are many unseen heroes behind it too. Birsa Munda, a tribal leader and freedom fighter from our own state Jharkhand, is one of them. Their sacrifices are the reason for our freedom and the national flag of India is a symbol of it. I feel very proud when our athletes stand on the top ranks holding our national flag. The soldiers on the border are day and night protecting our national flag.

Our national flag is a tricolour of India where saffron represents courage and sacrifice, white in the middle representing peace and truth, and green at the bottom representing prosperity and our relation to the soil. There is also an Ashok Chakra at the centre in navy blue with 24 spokes. The spokes on the Ashok Chakra represent 24 hours of the day and that India will keep on moving and developing.

The Indian flag that we see today was designed by Pingali Venkaya. The flag went under many modifications and then was accepted as the national flag of India. It originally had Charkha but after recommendation by Dr. BR Ambedkar, it was replaced by the Ashok Chakra.

The use of the flag is governed by the flag code of

India 2022. Did you know it originally prohibited the use of the national flag by private citizens/ but Naveen Jindal filed a PIL in the Delhi High Court to allow its use by the Public on all days. The case further went to the Supreme Court and the Supreme Court directed the union government to allow the private citizens too to flag it.

This made it possible for us to celebrate the "Azadi Ka Amrit Mahotsav" as we are completing 75th year of Independence. Our Prime Minister Shri Narendra Modi has started a campaign of hosting the flag in every house from 13 to 15 August. In these 75th years we have come a long way and continue to aim high. At the time of independence with the minimal literacy rate proving to be the biggest hindrance in the progress of our country, we kept faith in our effort and time with which now our literacy rate has increased significantly.

I hope India will keep on developing and one day I shall get a chance to serve India. Finally I would like to say – "Our National flag is the symbol of our freedom, our national flag is our pride, it should always be held high."

Menstruation

I was bleeding I thought I am going to die I thought I was suffering from cancer and what can you even expect from a child? I called my mother and told her about this and the word she left out from her mouth was ummmm! You got your first periods that's normal that was the very first lie that she told me, it's normal then why was not I allowed to be in contact with pure things? if its normal then why wasn't I allowed to make a Rangoli? why wasn't I allowed to celebrate? why was not I allowed to enter the pooja room or the kitchen? well, that means,

I was called impure

And I didn't find it normal at all.

When it comes to buy a packet of sanitary pads no one takes it without wrapping it perfectly inside a newspaper or in a poly bag but when it comes to buy a packet of cigarettes with all those warning written on it, nobody hesitates a bit. This society has taught me not to think about menstruation more and not to talk about menstruation more but still I will say it, yes I am a girl, who bleeds every month and I wouldn't let my periods limit my opportunities and my Liberty, menstruation is not normal but it is as natural as breathing.

माँ की ममता

दुनिया में चाहे सुख हो या दुख, पर मां जरूर हो,
मां, मुझे माटी से मूरत तूने बनाया,
एक बीज से पेड़ तूने उगाया।
जब-जब तूने मुझे डांटा,
सोचा मैंने तू बहुत बुरी है,
पर अब पता चला कि तू क्या है?
मेरे सपनों को तू पालती है,
हर पल तू मेरा ख्याल रखती है,
मेरे दुख, अपने आंसू में छिपाती है,
और न जाने क्या-क्या कर जाती है?
आखिर कब तक छिपाएंगी ये दर्द मुझसे मां,
जब किसी ने मां के बारे में पूछा,
तब बहुत कुछ बोल दिया,
पर आज पता चला कि तू क्या है?
तू वो है जिसमें मेरी सुबह से
शाम तक की बातें रहती हैं
जिसमें सारा सुख और संसार है।

LIFE

Life can be made stronger than death,
If a person learns carefully the language of love.
Forget what hurt you,
but never forget what it taught you,
you will never be brave, if you don't get hurt.
you will never learn, if you don't make mistakes.
you will never be successful,
if you don't encounter with failure.

दोस्त का महत्व

दोस्तों के बिना जिंदगी अधूरी है, और दोस्तों के साथ हर सांस पूरी है। मुसकुराने में मिला इनका साथ था, तो रुलाने में भी इनका ही हाथ था। जब मैं रूठा तो मनाया इन्हीं दोस्तों ने, पल-पल, हर पल सताया भी इन दोस्तों ने। हर गलती को छिपाया इन दोस्तों ने, पनिशमेंट में भी साथ निभाया इन दोस्तों ने। जिंदगी को जीना सीखाया इन दोस्तों ने, हर लम्हें को खूबसूरत बनाया इन्हीं दोस्तों ने। कभी-कभी मैं सोचता हूँ—
बिन तेरे मेरा क्या होता ऐ दोस्त!
क्योंकि—
दोस्तों के बिना जिंदगी अधूरी है, और दोस्तों के साथ हर सांस पूरी है।

चलो अर्जुन एक बार फिर कुरुक्षेत्र के रण में, रखकर शत्रुता अपने-अपने मन में। न केशव होंगे, न हनुमान होंगे, दाव पर लगे केवल हम दोनों के प्राण होंगे। इस बार नहीं कोई छल होगा, केवल मैं, तुम, अंबर और धल होगा। मेरे हाथों में धनुष होगा, और तुम भी वाण चला लेना, भेद गया गर मेरे सीने तो खुद को श्रेष्ठ बता लेना। इंद्र ने आकर छल से कवच-कुंडल छीन लिया, अहंकारी द्रोण ने भाइयों से मुझको भिन्न किया। भेद-भाव यदि वो उस दिन करता नहीं, तो कर्ण का ये शरीर कभी मरता नहीं। दिया था कुंती माता को मैंने एक वचन, अन्यथा युद्ध में कर देता पांडवों का मरण। मेरे पिता सूर्यदेव, मेरा हर अंग स्वर्ण है, आज भी लोगों की जिह्वा पर, अर्जुन से ज्यादा कर्ण है।

मैं मजदूर हूँ

किसी को नहीं मेरी चिंता, राह में ही जल रही चिंता, ट्रेन की पटरी पर कट जाता, कभी सड़कों पर आता-जाता, कभी पुलिस की लाठी खाता, मेरे लिए नहीं कोई साधन, मंजिल तक पहुँचने की चाह में, पैदल चलने को मजबूर हूँ, क्योंकि मैं मजदूर हूँ। अगणित बार घरा को स्वर्ग बनाया मैंने, जनहित में गंगा को घरा पर लाया मैंने, फिर भी सुविधाओं से दूर हूँ, क्योंकि मैं मजदूर हूँ। दूसरों के लिए घर बनाए मैंने, उजड़ी बस्तियों को बसाए मैंने, फिर भी खुले आसमान में रहने को मजबूर हूँ,

क्योंकि मैं मजदूर हूँ। मन में लिए यह अरमान, अपना भी हो एक मकान, महानगरों का किया प्रयाण, मैंने ही अपने श्रमजल से किया सारे जग का कल्याण, कंधे पर बच्चों का बोझ ढोते, पैदल चलते थककर चूर हूँ। क्योंकि मैं मजदूर हूँ। दिल्ली दिल की नहीं सुनती, बॉम्बे बात नहीं माने, चेन्नई में भी नहीं चैन है, कोलकाता में सेफ नहीं कल, अपने घर लौटने को मजबूर हूँ, क्योंकि मैं मजदूर हूँ।

75 Azadi Ka Amrit Mahotsav

"The more victory that's in hard work, the greater happiness is in winning." I repeat, the more victory in hard work, the greater happiness is in winning. This line indicates the joy which we get after getting something difficult. Yes, Azadi Ka Amrit Mahotsav, Azadi Ka Amrit Mahotsav which indicates that our nation has completed 75th years of Independence.

We have got independence, after the tireless efforts of our great and greatest patriotic leaders like Jawaharlal Nehru, Gandhi ji, Bhagat Singh, Netaji Subhash Chandra Bose and many more. Today we all are commemorating the historical events like the freedom struggle of 1857, Mahatma Gandhi's 'Satyagrah', Lokmanya Tilak's 'Purna Swaraj', Delhi March that was under the leadership of Netaji Subhash Chandra Bose etc. The journey of 'Azadi ka Amrit Mahotsav' officially started the 75th week countdown to our 75th anniversary of Independence. Now a question arises in your mind, that why 12th of March was chosen in order to represent this Mahotsav? This is because on the same day in 1930, Mahatma Gandhi made history event and that's Dandi March. And this Mahotsav will end in the next year on 15th of August 2023; this Mahotsav was officially inaugurated by our honorable Prime Minister, Sri Narendra Modi.

On this auspicious occasion, he had also held a campaign called HAR GHAR TIRANGA, where almost all the citizens of our country hoisted tricolor at their house and were proud of being a part of this event.

Various exhibitions were also held in different parts of our country to depict the contribution and sacrifices of the freedom fighters like Lala Lajpat Rai, Bipin Chandra Pal, Sardar Vallabha Patel, Bal Gangadhar Tilak and many more.

To spread the spirit of nationalism & patriotism, citizens were encouraged to record the national anthem and upload it on a website like @rastragaan.in. All these initiatives were undertaken by the government, keeping in mind the vision of India @2047, when we complete a century of Independence.

Also the next 25 years is termed as 'Amrit Kal' in order to encourage the citizens to move further. This Mahotsav will surely act as a catalyst for the upcoming generation to give their best in nation building. We should also unite and take initiatives to make our nation more and more powerful.

Freedom in our Blood

*Freedom in our words
Freedom in our mind,
Heart in motion,
And a great salute to our nation.*

"Azadi ka Amrit Mahotsav" which is literally a very small sentence but contains a vast meaning. As we all know, we recently celebrated the 76th year of Independence with great enthusiasm. To make this day more beautiful and memorable our Honorable Prime Minister Shri Narendra Modi inaugurated this Mahotsav on 12th March 2021 and it will continue till 15th of August 2023.

Many functions were organized under it where my own school "Sacred Heart School" as well as the whole district of Koderma gave a huge participation to create the feeling of nationalism among people.

The "हर घर पौधा—हर घर तिरंगा" campaign was also the part of it where each and every citizen of India brought a small green plant and our national flag into the souls as well as hearts.

This is also a true reflection of "Atmanirbhar Bharat" and I know this Mahotsav will also change the hearts of those NRIs who left India.

"India" which is just a 5 letter words but has the potential to be known as the "Vishwa Guru" of the whole world. India which is grandmother of traditions and great grandmother of legends.

I would like to mention the example of "Mission Mangal" where we failed once but reached there in our first attempt.

I would like to mention the example of our Honorable Missile man of India Dr. APJ Abdul Kalam and one of the well known scientists Dr. S Nambi Narayanan who rejected the proposal of NASA, in order to serve their motherland.

I would like to mention the example of those soldiers who are working continuously on the border. He used to say that he will only die while protecting his country. But how cold hearted we are that we are not having enough time to read that article in which a very heart breaking sentence is written "We lost one more Gem".

Lastly, I would like to conclude that we don't need an external change, we should change ourselves from inside in order to fill the blood of nationalism inside our body just like that fast flowing river which breaks all the hurdles to reach its destiny.

MOTHER

A mother is there, when we need her near,
To help us clear in the path of fear,
A mother is there, when we need her near,
To wipe the tear, shed by her dear.
Some say their mothers are the first teachers,
Teaching us good manners, equity and morality,
But I regard her as the world's best teacher,
Teaching us various things including this world's reality.
The love of mother is priceless,
Working for us without any rest,
Counting her favours is graceless, Cheering us up for any test.
So celebrate this occasion with much pleasure,
work hard for her altogether, don't try to return her favour,
just try to give her a love shower.

GOALS AND THE CRAZY SOUL

Grab the goal, with your determined soul,
God is a great creator and you are the best character,
so please perfectly play the role.
Grab the goal, with your hardworking soul.
Life is not easy, so, work like a crazy,
be the diamond in the gathering of coal.
Grab the goal, with your enthusiastic soul.
Flag is success but, small steps are pole.
Grab the goal, with your active soul.
Life has two aspects, happiness and sadness,
so, to live a perfect life, mix both as whole,
grab the goal.

BAPU

He is no more amongst us, but he is immortal for us,
he is no more here to fight for justice,
but he is here to inspire us.
He never needed fame in life, but he is champion for us,
he should not be kept in a museum,
because he is the part of proud heart of us.
Even millions of award can't describe his struggle,
and not even a statue can describe the respect for him by us,
he has been given the title of Mahatma, and also, he is Bapu for us.
