3.3.4 Outreach activities in the community in terms of influencing and sensitizing students to social issues and contribute to community development

Response:

It involves a great effort and hard work by the institution to conduct outreach programs. Every institution has to make sure to impact the lives of the people of the community through the implementation of projects and it needs a combination of dedication, patience, research and social skills. The Institute promotes regular engagement of faculty, students and staff with neighborhood community for their holistic development and community development through various activities every year, programs are organized under which students and staff participate voluntarily in community based activities.

- There is a regular involvement of students and staff in the programs organized by the college to participate voluntarily in community based activities.
- Various awareness programs, workshops, roadshows with themes like cleanliness, green environment and tree plantation, gender sensitization, traffic rule awareness demonetization and digital payment and empowerment of girls and women and health acid attack survivors are organized.
- Blood donation camps, awareness programme on health and hygiene, Distribution of study

materials to the students, awareness on junk food, Tree plantation etc are organized.

* Other programs like awareness of oral health, farmer training and training for rural women are also organized.

The institution follows some steps to organize an outreach activity.

* Choosing the community.
* Determining the needs of community.

* Creating an effective outreach is by studying the chosen community well. The market research and field studies to be able to understand the beneficiaries fully.
* Determining the problems experienced by the community.
* Determining the purpose of outreach program and choosing the community.
* Organizing the team.
* Set the date and venue.
* Draft the flow of the program.
* Collection of funds.
* Determining the budget.

The Institute include social work as a part of the curriculum in which a lot of hard work is needed by the faculty and the cooperation of local communities and establishment of network with the government organization, and non government organizations.

*

* Outreach activities sensitize the students towards social issues and also to legal and social remedies for matters like child abuse, beggars female child ,victims of violence ,old Refugees and displaced persons.
* The activities conducted imbibe the values of social responsibility like taking deep interest in environmental related issues, promoting cleanliness, Understanding and sharing the need of underprivileged children and helping people in need and distress.
* The activities help the students to develop skill and aptitude for problem solving and also social skills, communication skills, management skills, leadership skills, analytical skills, etc.
* Helps to develop a passion and brotherhood towards community and affected people.
* An outreach program create a partnership between the communities and the educational institutions. Such programs build on each other's strength and develop their roles as change agents for improving health professions knowledge, civic responsibility and the overall health of communities.

Outreach activities help students to better understand theory in their lectures.

3.3.5 Number of awards and honours received for outreach activities from government/ recognized agency during the last five years

Response: 7

3.3.4.1 **Total number of awards and honours received for outreach activities from government/ recognized agency during the last five years.**
