FROM THE DIRECTORS' DESK

Grizzly College of Education has made a name for itself as a distinguished institute within Vinoba Bhave University. It is based on hard work, open conversation, teamwork, and accountability. This setting helps students and staffs address current issues while staying connected to their community and country. Learning focuses on hands-on experiences, emphasizing real-life connections to make knowledge meaningful. The college has clear goals for excellence in education, research, and innovation. We believe that positive self-esteem leads to good outcomes. With the guidance of the Principal, the college aims to attain new levels of achievement. Visit Grizzly College of Education to see our positive environment yourself.

Dr. Sanjeeta Kumari
Deputy Director

Information obtained from reading is important, but hands-on experience is crucial. Such experience helps individuals to be calm, collected, patient, and successful. Our college focuses greatly on learning through practice in addition to academic knowledge. This focus is why all the students here gain considerable respect and become excellent educators. Guided by Principal Dr. Mridula Bhagat, the college is continually advancing and developing. With this message, I extend my warmest wishes to all the members of the college.

Dr. Mridula Bhagat
Principal

The development of each trainee's personality. All trainees who participated in the programs gave their best efforts. The college recognized the top trainees in each program based on their contributions and achievements. I want to thank everyone at the college, including the Chairman, Secretary, and Deputy Director, for their support and motivation in completing these wonderful initiatives.

INTERNATIONAL WOMEN'S DAY (08-03-2025)

Humanity is empowered by women!

International Women's Day was commemorated with a lot of fervor and excitement at Grizzly College of Education on 8th March 2025. Having Mrs. Suman Jaiswal, an advocate in the Civil Court in Koderma, as our guest speaker was an honor. With her perceptive ideas on gender equality and women's empowerment, Mrs. Jaiswal motivated our trainees. We think that building a more just and equitable society requires empowering women. Every day, let's continue to honor and celebrate the accomplishments of women.
