# HARDWARE AND NETWORKING WORKSHOP

Jinvani Management College Conducted a Hardware and Networking workshop to enhance the technical knowledge and practical skills of students. The workshop aimed to provide real-world understanding of computer components, their functions and basic networking concepts essential for careers in the IT field. Students actively participated in the session and gained valuable hands-on experience.

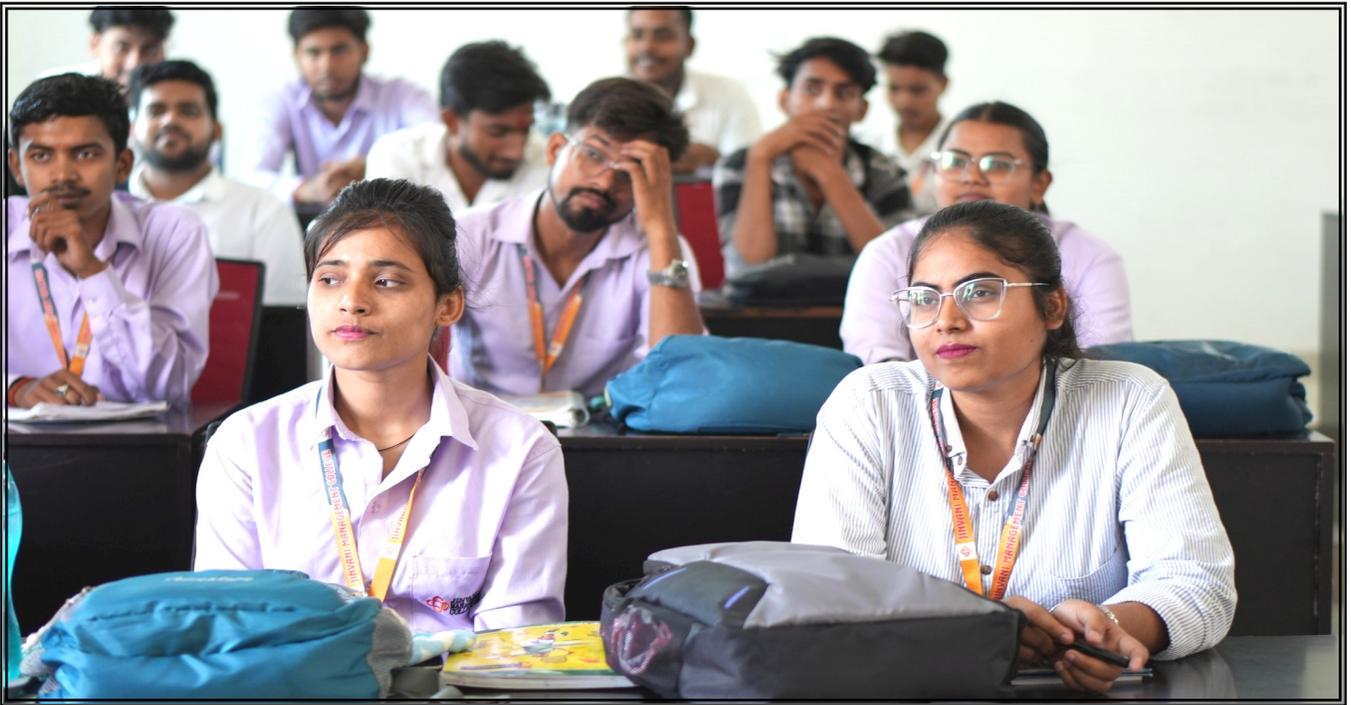

The Main key objectives of a Hardware and Networking workshop typically includes the understanding of hardware and networking function of each component and how they interact also providing hands-on session for tasks like PC assembly, cable crimping and network configuration. Participants learn by resolve common hardware and network issues such as computer falling to boot or a network connection dropping.

A comprehensive workshop covers a wide range of topics included hardware and networking concepts started with PC assemble and disassemble, BIOS/UEFI configuration, Hardware troubleshooting and many more.

It was highly informative and beneficial for students. It provides them with essential technical knowledge and practical skills that will help them in future academic and career opportunities. The workshop was successful in enhancing students confidence and develop interest in the field of computer hardware and networking.

## FUN AND FOOD FEST 2025

The Fun and Food Fest 2025 was joyfully organized at Jinvani Management College where Faculty, Non faculty, invited guests and students came together to enjoy a day filled with delicious food, exciting games and endless fun. The Campus was decorated beautifully, creating a lively and energetic atmosphere.

Various food stalls prepared by students offered a wide range of tasty dishes, snacks and desserts. Everyone enjoyed exploring new flavors and appreciating the creativity of the participants. Along with food stalls, there were thrilling games counters that attracted students and teachers throughout the day. Activities like ring toss, dart games, music challenges and quick quizzes kept the crowd entertained.

The event encouraged teamwork, creativity and active participation. It also helped students showcase their skills in cooking, management and hospitality. Faculty members appreciated the efforts of the organizing committee for making the fest enjoyable and smoothly managed.

Overall the Fun and Food Fest 2025 was a successful and memorable event that brought the whole Jinvani Management College (JMC) Family together to celebrate joy, taste , creativity and togetherness.

## OPERATION SINDOOR CAMPAIGN

Jinvani Management college organized an impactful awareness programme titled “Operation Sindoor Campaign” with the aim of promoting women’s dignity, safety and empowerment. The Campaign brought together faculty members, non faculty members and students who actively participated to spread the message of respect and equal rights for women.

The event began with a brief introduction about the purpose of the campaign and the importance of creating safe and supportive environment for women in society. Faculty members , Non-faculty members highlighted how small actions, responsible behavior and collective awareness can bring meaningful change.

A major highlight of Campaign was the slogan activity, where students and teachers enthusiastically raised powerful and positive slogans supporting women’s safety, respect and empowerment. The slogans created an energetic atmosphere and helped spread strong social awareness across the campus.

The programme successfully encouraged students to become responsible citizens and to stand up for the safety and dignity of women. Overall, Operation Sindoor Campaign at Jinvani Management College was a thoughtful and inspiring efforts towards social responsibility.

# *International* Yogā Day

Read your books,  
sharpen your brain.  
Roll out the mat,  
ease the strain.

# International Yoga Day 2025

Jinvani Management College celebrated International Yoga Day with great enthusiasm and unity. The programme focused on embracing the power of Yoga to nurture the body, mind and spirit. Students and Faculty members came together to doing various yoga asanas under the guidance of instructors.

The event began with a short introduction on the importance of Yoga in daily life. The speakers highlighted how yoga helps in improve focus, clarity, inner peace as well as physical well-being. Participants actively performed breathing exercises, stretching routines and meditation sessions experiencing the calming and refreshing benefits of Yoga.

The celebration created a peaceful and positive atmosphere on campus. By participating wholeheartedly, students and faculty reinforced the message that yoga is not just an exercise but a holistic practice that builds balance and harmony within oneself.

Overall, The International Yoga Day celebration at Jinvani Management College successfully inspired everyone to adopt Yoga as a regular part of their lifestyle for better health and mental wellness.

# Flood Relief 2025

Jinvani Management College organized a Flood Relief Food Distribution Program on 24th July 2025 in Jawaniya village. The initiative was undertaken to support families affected by severe flooding in the region. The program reflects the institution commitment to social responsibility and community welfare.

The Relief activity was actively supported by all Faculty members and students. The following faculty members participated and supervised the program:

1. Prof. Saurabh Kumar Singh
2. Prof. Neeraj Kumar
3. Prof. Arun Mishra
4. Prof. Rahul Anand

Students from the BCA, BBA and MBA departments also took part enthusiastically, contributing to the smooth organization and distribution process.

Objectives of the Program:

\*To provide immediate food assistance to family affected by floods in Jawaniya .

\*To promote community service and social awareness among students.

\*To engage students in humanitarian work and develop empathy, leadership and teamwork skills.

This program was a meaningful step toward supporting the community during a time of crisis. The active involvement of faculty members and students ensured the success of the initiative.

# Orientation Program 2025

The Orientation program at Jinvani Management College was held to warmly welcome the new batch of students into the JMC Family. The event began with Lamp lighting ceremony, symbolizing the beginning of a bright and meaningful academic journey. This was followed by Saraswati Vanadana , seeking the blessings of the Godness of knowledge and a melodic Welcome Song presented by senior students.

After the performances, all the faculty members and staff introduced themselves and shared information about the various facilities and opportunities available at JMC, helping the newcomers understand the environment and resources they can benefit from.

To make the day more interactive and enjoyable a series of Fun games and activities were organised for the new students under the guidance of our Principal Dr. Tushar Arya. The participation and enthusiasm of the students created a lively and friendly atmosphere.

Overall, the orientation programme successfully helped the new students feel comfortable, motivated and excited to begin their academic journey at Jinvani Management College (JMC).

# Robotics Workshop 2025

Jinvani Management College organized an engaging and informative Robotics Workshop to introduce students to the exciting world of modern technology. The workshop aimed to develop practical skills and spark creativity among participants.

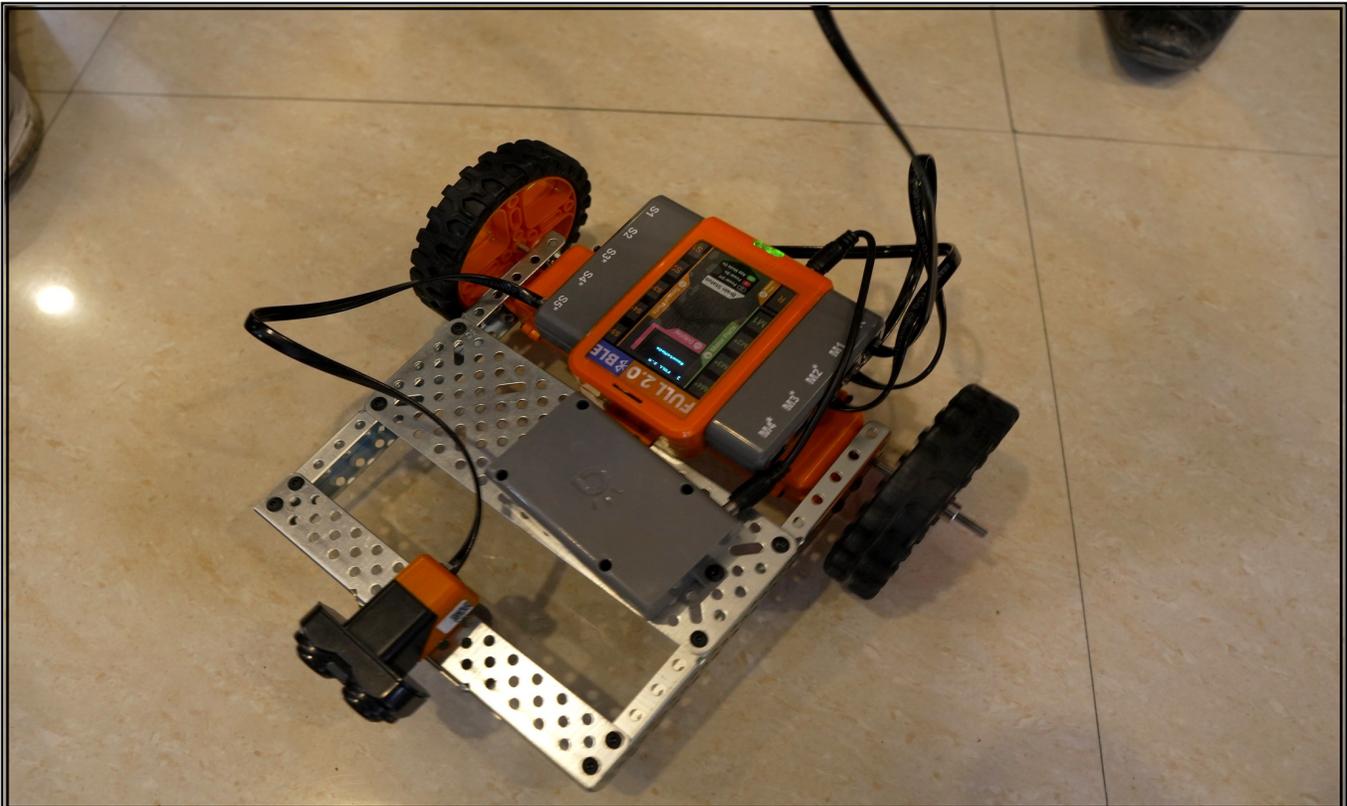

During the session, students learned how to assemble a robot step-by-step understanding the role and placement of each component. They were also introduced to both Sensor-based and Non-Sensor based robot movements. Through hands-on activities, students explored how robots can detect obstacles, follow paths or move independently using different types of sensors.

In addition, the trainers demonstrated how Artificial Intelligence (AI) supports robotic functions and enhances their decision making abilities. Students got the opportunity to experiment with basic AI features, making the workshop both interactive and enjoyable.

Overall, the Robotics workshop proved to be a valuable learning experience, encouraging students to think innovatively and motivating them to explore future possibilities in technology and automation.

# Health Awareness Camp 2025

A health Awareness Camp was Successfully organized at Jinvani Management College with the objective of promoting healthy living among students. The college had the honour of inviting a renowned doctor, Dr. K.N. Sinha, who was warmly welcomed by the JMC Members.

During the camp Dr. K.N. Sinha shared many valuable ideas and tips related to health awareness. He explained the importance of a balanced diet, regular exercise, proper sleep and stress management in daily life. The session was very informative and helped students understand how to maintain good physical and mental health.

After the awareness session, Dr. Sinha conducted a blood pressure check-up for all the students present. This activity helped students become aware of their health status and understand the importance of regular health check-ups.

The Health Awareness Camp was very beneficial and informative. Students actively participated and appreciated the efforts of the college for organizing such a meaningful programme. The Camp concluded successfully with a vote of thanks to Dr. K.N. Sinha for his valuable guidance.
