

SACRED HEART SCHOOL

(Affiliated to CBSE, New Delhi, upto +2 Level)

HOLIDAY HOMEWORK (Winter Vacation)

Class & Sec

: VI A

Name of Class Teacher

: **Sumit Shaw**

Subject	Home Work
Science	<p>1. Exploring Winter Changes: Observe your surroundings during winter and note down the following: *Changes in plants (e.g., leaf fall, dormancy). *Behavior of animals or birds in your area (e.g., migration, hibernation). *How humans adapt to winter (e.g., clothing, food). Write your observations in 150-200 words and illustrate one example with a drawing.</p> <p>2. Fun with Shadows: On a sunny winter day, observe and measure your shadow at three different times: morning, noon, and evening. *Note the length of the shadow and its direction. *Write why the shadow's length and direction change during the day. *Include a diagram showing your observations.</p> <p>3. Winter Food Science: Research and list 5 foods commonly eaten in winter and explain why they are good for health during this season. Example: "Carrots are rich in Vitamin A, which boosts immunity and keeps us healthy in winter." Illustrate one food item with a drawing or photograph.</p>
Social Science	<p>1. Draw or print an outline map of the world and color different continents and oceans. Label them and add details about major landforms (like mountains, plateaus) or water bodies (rivers, seas).</p> <p>2. Make a creative poster showing the different kinds of jobs in urban areas. Use pictures from magazines or your own drawings to represent these occupations.</p> <p>3. Create a model of an ancient tool, pot, or piece of jewelry that might have been used by early humans or in ancient cities like Harappa. Use chart paper, colour etc</p>
English	<p>1. Write a short story using the following words: forest, treasure, brave, storm, and friendship.</p> <p>2. Imagine two friends are planning a surprise birthday party. Write a conversation between them.</p>
