

GRIZZLY

COLLEGE OF EDUCATION

NAAC Accredited College

Excellence in Teacher Education

PROSPECTUS

GRIZZLY COLLEGE OF EDUCATION

Grizzly College of Education is located in an educationally backward and rural area and was established in 2009 and has a smoothly running B.Ed. and D.El.Ed. Programme through the **Grizzly Charitable Trust, established in 2007**. Most of the students come from social and economic backgrounds. The institution maintains the quality of education and accredited with 'B' grade by the NAAC in 2022. The institution has appointed qualified and permanent faculty as per NCTE norms and UGC guidelines. The institution is affiliated to Vinoba Bhave University, Hazaribag, Jharkhand & Jharkhand Academic Council, Ranchi.

Grizzly College of Education was founded with the express aim of creating a high-quality professional education where students would receive expert instruction and individual support. It was felt that to fulfil the dearth of trained and skilled teachers in the state of Jharkhand, there was an urgent need for high-quality professional primary and secondary teacher training at a reasonable cost.

The college is geared specifically to provide high-quality education, adopting the latest techniques and methodologies for curriculum transactions, and

is poised to develop into an institute of higher learning and interdisciplinary research. The institution also aspires to kindle in the students the desire for lifelong learning and to reach the unreached. It aims at producing quality teachers to form a learning society because quality teachers imply quality education, and the same education determines the virtues of people in a society. Our college is committed to quality, excellence, and standards in teacher education. The whole campus has been equipped with Wi-Fi. However, we are on the way to being recognized as the centre of excellence in teacher education.

VISION

The Institution becomes a knowledge hub where the next generation teachers would be equipped with a multi disciplinary perspective of knowledge; grounded with values rooted in Indian culture and history; empowered with twenty-first-century skills; and committed to professional excellence to produce manpower for the country as well as for the global world.

MISSION

- ❖ To Provide experience-based learning for multifaceted development
- ❖ To contribute to National development through teacher education
- ❖ To integrate pedagogy and technology for learning
- ❖ To promote self-learning and group learning
- ❖ To develop global competencies and life skills among students
- ❖ To acquire multilingual skills and demonstrate effective communication
- ❖ To relate knowledge with day-to-day experience
- ❖ To adopt technology to address the explosion of knowledge
- ❖ To imbibe constitutional and human values based on Indian culture
- ❖ To follow inclusive practices in all activities organized by the institution
- ❖ To identify the uniqueness of every learner and nurture him/her

OBJECTIVES

- ❖ To equip the prospective teachers with a multi-disciplinary and multi-dimensional outlook
- ❖ To enable the primary and secondary teachers to acquire multi-language skills
- ❖ To develop proper attitudes towards teaching as a profession

- ❖ To enable teachers to make proper use of instructional facilities
- ❖ To enable teachers to understand Indian history and culture
- ❖ To hone guidance and counseling abilities
- ❖ To equip them to acquire competencies relevant to stage-specific pedagogy, curriculum development, its transaction, and evaluation.
- ❖ To transform oneself and society to empower people to assume responsibility for creating a sustainable future.

VALUES

To inculcate the following values among the Pupil-Teachers:

- ❖ Academic Integrity, Competence and Proficiency
- ❖ Cultural Sensitivity and Tolerance
- ❖ Social Affinity and Inclusion
- ❖ Duty, Responsibility & Accountability
- ❖ Professional Honesty and Commitment
- ❖ Respect for Human Freedom and Dignity
- ❖ Sensitivity to Diversity, Equity and Social Justice
- ❖ Appreciation of Originality, Creativity and Research
- ❖ Quest for Excellence
- ❖ Education to all, willing to become Teacher Educators, irrespective of caste, creed or religion.

Avinash Kumar Seth
Secretary

Secretary's Message

Choosing a college of education is a major decision and, I believe, if you are ambitious and determined to become a quality teacher who will be an asset to any institution, you must choose **Grizzly College of Education**. As a result of our size, we are able to focus on the needs of each individual student and aim to nurture each student in order to ensure their journey at **Grizzly College of Education** is a successful one and improve their future prospects. I am pleased that you are thinking about joining **Grizzly College of Education**. It is a diverse and friendly learning community where students progress well in their studies, and we are very proud of their achievements. We are particularly proud of the progress our students make from their own individual starting points and the incredibly positive destinations they ultimately achieve, either in jobs or higher education. When you join us, you can be assured we will invest time in you. We will give you all the support and encouragement you need to achieve the success you deserve and to create the future you want for yourself.

The quality of a nation depends upon the quality of its citizens. The quality of its citizens is dependent, not exclusively, but critically, on the quality of their education, and the quality of their education is dependent on no single factor more than the quality of their teachers. Every community should have a talented and dedicated teacher in every classroom. We have an enormous opportunity to ensure teacher quality well into the 21st century if we recruit promising people into teaching and give them the highest quality preparation and training.

We are proud that we have taken up the task of moulding teachers who will tutor the future citizens of our nation. They will be the learning officers, always ready to adapt and assimilate. I will work hard to ensure that this institution provides quality education, reaches significant milestones in its development, and blazes a glorious trail into the future.

We'll treat you with respect, take your views seriously and encourage you to be creative and contribute to the wider community. The college has invested heavily in our infrastructure to modernize and take full advantage of an inspiring natural atmosphere. Furthermore, this has been extended as the college has grown and to develop our, teaching, technological, and sporting facilities. I hope you choose to be a part of our continuing success.

Avinash Kumar Seth
Grizzly College of Education

Manish Kumar Kapsime
Chairman

Chairman's Message

Grizzly College of Education has been established as an Institution of Teacher Training to meet the needs of national and global professionalism, which is the demand of the 21st century. Our vision is that the next generation of teachers will be equipped with multidisciplinary perspectives and knowledge; the formation of dispositions and values must be grounded in Indian values, multi-language, knowledge, ethos, and traditions; the latest advances in education and pedagogy; professional excellence through empowering transformation; and **education that enables students to meet the challenges and demands of a competitive world** as envisaged in the National Education Policy.

It is common knowledge that the academic and professional standards of teachers constitute a critical component of the essential learning conditions for achieving the educational goals of a nation. The focus of teacher preparation had to shift from training to education if it had to have a positive influence on the quality of curriculum transaction in classrooms and, thereby, pupil learning and the larger social transformation. Teachers have a great role to play in bringing out creativity in children. They strive to nurture students into holistic entities, enabling them to face the challenges of life with panache.

Our enthusiastic teaching faculty puts a lot of effort into learning continuously and imbibing knowledge to our students. We provide all the necessities required for students in the academic arena as well as extracurricular activities. Youngsters are trained to be uplifted not only academically but also to serve as better citizens in our society. Our institution takes care to imbibe moral values, and students know the love of our college.

I look forward to welcoming you to "**Grizzly College of Education**" and having an everlasting and mutually beneficial relationship with the academic world.

Manish Kumar Kapsime
Grizzly College of Education

Deputy Director's Message

Dr. Sanjeeta Kumari
Deputy Director

Grizzly College of Education is committed to excellence and ensures comprehensive professional practice. Its programmes are diverse and inclusive, producing engaged student teachers who are involved in leadership roles. This experiential learning proves to be highly reflective and embeds values.

In changing times, along with technological development and an emerging digital world, the role of teachers is also changing. To live up to this transformation, we have introduced new strategies in our pedagogical practices, new initiatives, and collaborative approaches to promote teaching-learning at our college.

We are blessed with visionary management, providing a holistic platform for teaching, learning, research, sports, culture, community outreach, NSS, learning resources, and focused training for career and employment. The Provost of Vinoba Bhave University, Hazaribag, is the main source of inspiration, and we translate his vision by creating an environment that fosters competitiveness, creative thinking, and innovation.

The continuous, comprehensive, and collaborative efforts of the management, faculty, students, Alumni, and all other stakeholders have cultivated a culture that is full of contentment and belongingness. Each endeavour undertaken on the campus or off the campus is considered precious, and these moments and memories are like the sacred thread that keeps us together as a Grizzly College of Education family.

Dr. Sanjeeta Kumari
Grizzly College of Education

Principal's Message

Prof. (Dr.) B. C. Swain
Principal

Dear Students

Greeting from Grizzly College of Education, Koderma, Jharkhand. The 21st century is the century of multidisciplinary knowledge, skill development, and recognition of global citizens, and India has the responsibility to make its contribution. I am happy to be the Principal of Grizzly College of Education, a prestigious institute in Jharkhand. I am proud as it is NAAC accredited. It is one of the best teacher training institutions within Vinoba Bhave University. Grizzly College of Education is a perfect amalgamation of academic commitment, skill development, and professional excellence. We focus on discovering, developing, and exposing the inner qualities of a student-teacher. My competent team of teachers strives to focus on each and every student, monitor and mentor them, appreciate their achievements, and encourage them to overcome their shortcomings. A good teacher enables a student to understand, whereas a great teacher enables a student-teacher to realize. I encourage all teachers to design appropriate, meaningful, and participatory learning environments that include life skills for impressionable student teachers. Our excellence is not just confined to the classroom; we are also notably active in conducting conferences, workshops, seminars, guest lectures, and co-curricular activities. These activities expose students to aspects beyond the curriculum, thus adding value to their professional and leadership excellence.

At Grizzly College of Education, we take immense pride in the fact that our student teachers receive the highest quality of education. This is facilitated by attaching the utmost importance to teaching quality and practical learning. Students should be given an all-around education so that they become multi-dimensional in outlook. Empowerment of student teachers for all-around development through education is our cherished motto. I am proud of being the principal of such a wonderful institute dedicated to the causes of a better India through education and real empowerment. Come on, let's give our best and make this institute a modern temple of learning through our devotion and dedication.

Last but not least, I expect all my student teachers to focus on their cherished goals, and I wish them a bright future.

Prof. (Dr.) B.C. Swain
Grizzly College of Education

NAAC ACCREDITATION

Grizzly College of Education has achieved NAAC Accredited with 'B' Grade in 2022 and institution maintaining quality teacher education, holistic development of pupil teachers and strong desire to achieve the vision of the institution.

COURSE OFFERED

Grizzly College of Education provides 2 Years D. El. Ed. and 2 Years B.Ed. Programmes

FACILITIES

Library

Grizzly College of Education has well equipped library and arranged study room for trainee teachers as well as teacher educators. The library is equipped with fully digital and easy access for both trainee teachers and teacher educators. The periodical Journal, magazine, newspaper, and employment news are also available in the library. Library accommodates more than 100 reading seat for students and teacher. To determine, how far it will be succeeded in achieving the objective, one must determine the extent to which the users (students and faculties) use the resources of the library as an integral part of the curriculum. In other words, it means that teaching in the classroom must depend

more on the library than the textbooks. The library must become an integral part of the teaching program.

Smart Class

Grizzly College of Education promises technological enhancement and information of modern methods that provide quality education to the students for better learning outcomes with the help of technology. Traditional classrooms are losing their effectiveness and adapting smart classrooms in our educational institutions. Smart classes are equipped with the latest technology such as visualizes, smart boards, laptops/computers, internet connectivity, projectors, amplifiers, speakers, podiums, microphones, and many more. Smart classes help teachers deliver lectures more

effectively for a better learning experience. Teachers show practical solutions to the students using many education websites and apps. Quality education is an essential requisite in today's competitive environment. Technology has affected us in every aspect. Smart classes are a modernized method of education in the Indian education scenario provides quality education to students by helping them in better concept formation, concept elaboration, improvement in reading skills, and academic achievement.

Laboratories

The College has well equipped and furnished laboratories to facilitate student teachers to enhance

their teaching skills through experiments, demonstrations and live presentations. The necessary equipment and materials are made accessible to the student teachers as and when required during the normal course of study and examinations. The college aims at developing in the minds of the pupils the abilities of application, skills of experimentation, construction and improving among them scientific attitude, interest and appreciation values.

Purified Drinking Water (RO)

Grizzly College of Education provides purified drinking water with modern treatment technology using Filtration. There are two R.O. plants in operation to cater to the drinking water needs of all the students, staff members, supporting staff, and visitors. This water is pure, tasty, hygienic, and highly suitable for human consumption. The R.O. drinking water is dispensing through Water Coolers in the college provided at various locations. The rejected water from the treatment plants used for gardening and washing purposes. These plants not only facilitate the supply of safe drinking water but also obviate the otherwise involved huge expenditure for procuring drinking water for a large number of people on the campus. Now the institution can be liberal in the provision of our own made R.O. water. This R.O. water is using for drinking purposes as well as cooking purposes. Cold Water during summer, fresh and pure drinking water provide to the students and staff through the Water Cooler. It is

to ensure that the students and staff of the college remain hydrated during scorching heat with sound health.

First Aid

Grizzly College of Education has established the First Aid Committee to provide a safe and healthy life to its students, staff, and also visitors. The committee tries to assist the person by providing first aid treatment and ensuring that the college campus is safe for everybody.

First Aid is the first and immediate assistance given to any person suffering from either a minor or serious illness or injury, with care provided to preserve life, and prevent the condition to promote recovery. It is generally performed by someone with basic medical training. First aid is an important tool in quickly responding to accidents to ensure that injuries can be efficiently and promptly dealt with before a trained medical professional arrives to administer more specialized treatment.

Multipurpose Hall

Grizzly College of Education has a well-equipped space a suitable multipurpose hall for hosting the seminar, conferences, symposiums, guest lectures, celebrating college foundation day, and various cultural programme. The venue for all of these is the multipurpose hall, which is spacious and can easily accommodate a large gathering.

Remedial Classes

The Grizzly College of Education pays special attention to the slow learner. The institution takes care of slow learners and arranges remedial classes to enhance their performance as slow learners. The faculties take remedial classes with conduct counsel, provide learning materials, take tests, etc. The Teacher Educator periodically maintains their performance record.

Co-curricular Activities

The institution organises various co-curricular and extra-curricular activities for all-round development of student teacher like NSS, Swachha Bharat Abhiyan, Unnat Bharat Abhiyan, Beti Bachao Beti Padhao, Bharat Scout & Guide, Environment Awareness Programme, Sports, Yoga and Meditation, Community Outreach Programme, Excursion and Visiting Learning Center.

Cultural Programme

Cultural Programs is one of the attractions and colourful events in **Grizzly College of Education**. Culture could be based on shared ethnicity, gender, customs, values, or even objects. Culture is our way of life. It includes our values, beliefs, customs, languages, and traditions. Our culture measures our quality of life, our vitality, and the health of our society. Through our culture, we develop a sense of belonging, personal and cognitive growth, and the ability to empathize and relate to each other. Grizzly College of Education and students give more priority and importance to improving these values and customs. These characteristics are that all cultures share are learned, shared, symbolic, integrated, and dynamic. Cultural inheritance is very important to transfer. It refers to the storage and transmission of information by communication, imitation, teaching, and learning. It is transmitted by the brain rather than by genes. However, it does have a genetic basis; the genes involved determine the structure of the brain.

Yoga & Meditation

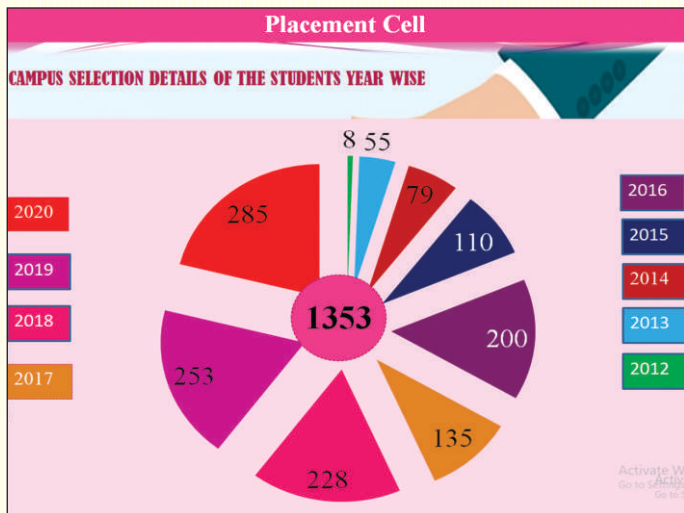

Grizzly College of Education has a strong commitment towards achieving their goals and giving maximum effort for the students. Students who take up yoga and meditation as their daily routine can have a better quality of life than those who refrain themselves from incorporating them. It relieves stress among students that can allow them to overcome obstacles in their academic lives in a better way. As meditation techniques require strong attention, it aids students in enhancing the ability to concentrate in hyperactive situations. The education system is becoming increasingly adaptive in providing yoga and meditation classes to students. This is because meditating significantly contributes to good health by reducing mental pressure. It is beneficial for students for not only resolving issues in their academic lives but also their social lives. Yoga and meditation are often considered as a good source of relaxation as they aid in lowering blood pressure as well as hormone regulation.

Additionally, by doing yoga on a daily basis, students can obtain a better immune system thus a healthier body. They can also give students a sharper clarity that is required to think with a different perspective and make rational decisions. This further enables students to keep their emotions in control and analyze the outcome of their reaction with every aspect of their lives.

Placement Cell

Placement Cell is an integral part of Grizzly College of Education. It functions to ensure the best placements for the students Trainee Teachers from College. The Placement Cell of **Grizzly College of Education** plays a crucial role in locating job opportunities for trainee teacher passing out from the college by keeping in touch with reputed firms and school. The Placement Cell conducts round the year to facilitate contacts between schools and pass out trainee teacher. The number of trainee teacher placed through the campus interviews is continuously rising. On tie up, many

reputed schools visit the institute to conduct interviews. The Placement Cell organizes career guidance programmes for the trainee teachers starting from 1st semester of the academic year. The cell organises training programmes like Mock Interviews, Group Discussions, Communication Skills, etc.

Community Outreach Programme

Grizzly College of Education strategically focuses on serving the rural and tribal community by adopting five villages under the Unnat Bharat Abhiyan, Government of India, for five years. The institution intentionally built a relationship with the people of society who are most neglected and deprived to restore them to their communities of family and neighbours. The institution takes the initiative of eradicating illiteracy, teaches computer education and spoken English, and distributes blankets in the winter season through community outreach mentorship, teaching trades, and other programs while purposefully focusing on cultivating these relationships. The institution always gives priority and uplifts backward, miserable economic conditions people and dropout students. The teacher and trainee teacher collaboratively work for the development of tribal people and always stand for them. The institution is committed to bringing equity and equality for all.

Alumni Association

The Grizzly College of Education Alumni Association fosters a lifelong spirit of belonging and pride by connecting alumni to Grizzly college of Education and each other. The Alumni Association advocates for the college and its alumni with a credible, independent and collaborative voice. The Alumni Association Registered under the Society Act.

Student Support Progression

The Grizzly College of Education has structured support and mentoring mechanism with teacher educators. The Principal is the Executive-Head to supervise and monitors the mentoring system. Heads of the respective Departments, under the guidance of the Principal, supervise the mentoring. Apart from Class in-charges, individual mentors are assigned some groups for personalized attention and counseling.

Free CTET/JTET Coaching

Grizzly College of Education is a NAAC-accredited teacher training college that offers free CTET and JTET coaching to all teacher trainees in order to have the greatest number of students qualify for CTET and JTET. The institution provides quality teacher education and comprehensive support of a multidimensional outlook for becoming a talented teacher. The qualified faculties are conducting CTET/JTET classes with spoken English training, which helps them develop their communication skills.

Scholarship

The students, who are permanent residents of Jharkhand state, are open to a number of scholarships to fund their education at the college level. A scholarship is intended to help meritorious and deserving students pursue their dream education without financial constraints. The state government runs the scholarship with the objective of enhancing the current educational scenario of the state. To ensure the successful application of e-Kalyan and NSP, it needs to provide certain supporting documents along with your application. These are the important documents you need to keep handy before applying for these scholarships.

Student Orientation-cum-Induction Programme

A warm welcome is extended to the newly enrolled students of B.Ed. and D.El.Ed. students for the new academic year by Chairman, Secretary, Deputy Director, Principal and all the faculty members of the **Grizzly College of Education** at the Orientation-cum-Induction Programme. The programme organises by the Institute to introduce students to college life; acclimatise them to their new surroundings; and provide an opportunity for the faculty and staff to meet the newest members of the Grizzly Family. It was an effort to quell the doubts and queries by providing essential information; positively and effectively harness the enthusiasm of the students as well as abate their anxiety as they enter a new phase of their education.

Personality Development Programme

Personality development and self-awareness are conducted by experts at the institution for the overall development of the personalities of teacher trainees. Education is central to personality development. Aside from providing a person with the knowledge and skills they need to succeed in life, it can also teach them how to think critically and make informed decisions. Additionally, education can help teacher trainees develop positive relationships with others. All of these factors can contribute to a person's overall personality

development and how they carry themselves in the real world. Teacher trainees need to be able to communicate effectively to participate in class discussions, ask questions, and make presentations. Personality development can help teacher trainees develop the communication skills they need to be successful in their studies. Leadership is an important quality for success in any field. Teacher trainees who want to achieve success in their chosen career path need to be able to lead others. Being confident and comfortable in social situations is an important part of student life. Students who are shy or have low self-esteem often find it difficult to participate in class discussions or make new friends. Personality development can help them overcome these hesitations and build their confidence.

Understanding the self programme

Which is conducted by experts, provides teacher trainees with insight into who they are and why they react as they do, and gives them a direction for self-improvement. Self-awareness for teacher trainees is crucial for success. Self-aware people have a fundamental belief in their ability to achieve a goal, and this trait helps teacher trainees thrive in everything they do. Social-emotional self-awareness means having the ability to understand your thoughts, emotions, and values, as well as knowing how those factors influence your behaviour. Added to this understanding is the capacity to open-mindedly and realistically assess your

strengths and weaknesses while maintaining your confidence, drive, and desire to grow.

Skill Development

Grizzly College of Education enhances the skill development (Spoken English, computer literacy, etc.): Skill development receives prioritized focus in curriculum designing and development.

NSS Unit

Grizzly College of Education is associated with the National Service Scheme (NSS), which is beneficial to both students and society in various different ways. NSS helps students grow both individually and as a group. It makes the students confident, develops leadership skills, and allows them to gain knowledge about different people from different walks of life. Students also learn other skills that help them lead better lives in various situations. It teaches students to be disciplined and organised with the objectives and goals they set.

NSS works mainly on the principle of NOT ME BUT YOU. The candidates who are involved in its activities work together with the people of the society for the

benefit of the society, environmental protection, health and cleanliness, to help the people suffering at the time of emergency or natural calamity. National Service Scheme (NSS) is an Indian government sponsored programme under the Department of Youth Affairs and Sports, Government of India, which has been initiated primarily to inculcate the spirit of participation in nation building through social work among the students.

Anti-Ragging

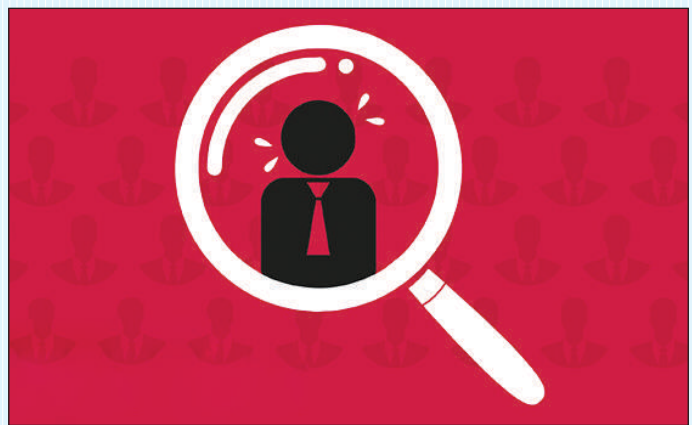

Anti-Ragging Cell of Grizzly College of Education maintains a healthy and congenial academic environment for students. The institution offers protection to the new entrants from the menace of ragging. In this regard, this institution has constituted an Anti-Ragging cell. An Anti-Ragging Cell should be one of the important parts of an educational institution's mechanism. As per the guidelines of UGC under the

Act of 1956, which were modified as UGC regulations on curbing the menace of ragging in higher educational institutions in 2009, the establishment of an Anti-Ragging Cell is very compulsory.

Grievance Cell

The main objective of the Grievance Redressal Cell of **Grizzly College of Education** is to ensure an approachable and responsible attitude among the staff towards the students to uphold harmony on the campus. The function of the cell is to look into the complaints lodged by any student and judge their grievance. The grievance cell is also empowered to look into matters of harassment. Anyone with a genuine grievance may approach the department members in person or in consultation with the Student Council. In case the person is unwilling to appear in person, grievances may be dropped in writing at the letterbox/suggestion box of the Grievance Cell.

Mentoring System

A new mentoring system is being introduced at Grizzly College of Education and the faculties play a crucial role in mentoring the student teachers. One of the most personal and relationship-building learning experiences comes from mentorship. The mentor provides both professional and personal advice to mentees. Mentees give constructive feedback on writing, teaching, and other elements of career design.

They can serve to help students balance professional goals with their personal lives or give emotional encouragement during challenging times. These types of programmes teach valuable academic skills as well as life-long and professional tools.

College Canteen

The objective of the Canteen and meal service is to protect by reducing the risk of food-borne illness, with proper sanitary conditions, and preventing adulterated food. From the very beginning of the College in 2009, Grizzly College of Education has been functioning efficiently. The canteen is located inside the College. The Management of the Canteen is directly under the control of the College Administration. The menu plans by the assigned team of Management's instruction. Liberalization of food trade, growing consumer demand, physical setup, and sanitary conditions are also discussed during the appraisal. Also, suggestions, complaints, and problems of the food consumers are taken into consideration. The hostellers and day scholars are provided meals to assuring food safety and quality. The waste utilization of the canteen is efficiently done through the waste recycling plant installed on the campus. A bio-gas plant is installed near the canteen. Bio-degradable waste is converted into manure through this plant and the gas produced is used for cooking. The canteen and the surroundings are always kept neat and tidy. Plastic bags of less than 10 microns are not permitted inside the campus.
