GRIZZLY COLLEGE OF EDUCATION

About the College

Grizzly College of Education is located in an educationally backward and rural area and was established in 2009 and has a smoothly running B.Ed. and D.El.Ed. Programme through the Grizzly Charitable Trust, established in 2007. Most of the students come from social and economic backgrounds. The institution maintains the quality of education and accredited with 'B' grade by the NAAC in 2022. The institution has appointed qualified and permanent faculty as per NCTE and UGC guidelines. The institution is affiliated to Vinoba Bhave University, Hazaribag, and JAC, Ranchi, Jharkhand.

Grizzly College of Education was founded with the aim of creating a high-quality professional education where students would receive expert instruction and individual support. It was felt that to fulfil the dearth of trained and skilled teachers in the state of Jharkhand, there was an urgent need for high-quality professional primary and secondary teacher training at a reasonable cost.

The college is geared specifically to provide high-quality education, adopting the latest techniques

and methodologies for curriculum transactions, and is poised to develop into an institute of higher learning and interdisciplinary research. The institution also aspires to kindle in the students the desire for lifelong learning and to reach the unreached. It aims at producing quality teachers to form a learning society because quality teachers imply quality education, and the same education determines the virtues of people in a society. Our college is committed to quality, excellence, and standards in teacher education. The whole campus has been equipped with Wi-Fi. However, we are on the way to being recognized as the centre of excellence in teacher education.

VISION

The Institution becomes a knowledge hub where the next generation teachers would be equipped with a multidisciplinary perspective of knowledge; grounded with values rooted in Indian culture and history; empowered with twenty-first-century skills; and committed to professional excellence to produce manpower for the country as well as for the global world.

MISSION

- ❖ To Provide experience-based learning for multifaceted development
- ❖ To contribute to National development through teacher education
- ❖ To integrate pedagogy and technology for learning
- ❖ To promote self-learning and group learning
- ❖ To develop global competencies and life skills among students
- ❖ To acquire multilingual skills and demonstrate effective communication
- ❖ To relate knowledge with day-to-day experience
- ❖ To adopt technology to address the explosion of knowledge
- ❖ To imbibe constitutional and human values based on Indian culture
- ❖ To follow inclusive practices in all activities organized by the institution
- ❖ To identify the uniqueness of every learner and nurture him/her

OBJECTIVES

- ❖ To equip the prospective teachers with a multi-disciplinary and multi-dimensional outlook
- ❖ To enable the primary and secondary teachers to acquire multi-language skills
- ❖ To develop proper attitudes towards teaching as a profession

- ❖ To enable teachers to make proper use of instructional facilities
- ❖ To enable teachers to understand Indian history and culture
- ❖ To hone guidance and counseling abilities
- ❖ To equip them to acquire competencies relevant to stage-specific pedagogy, curriculum development, its transaction, and evaluation
- ❖ To transform oneself and society to empower people to assume responsibility for creating a sustainable future

VALUES

To inculcate the following values among the Pupil-Teachers:

- ❖ Academic Integrity, Competence and Proficiency
- ❖ Cultural Sensitivity and Tolerance
- ❖ Social Affinity and Inclusion
- ❖ Duty, Responsibility & Accountability
- ❖ Professional Honesty and Commitment
- ❖ Respect for Human Freedom and Dignity
- ❖ Sensitivity to Diversity, Equity and Social Justice
- ❖ Appreciation of Originality, Creativity and Research
- ❖ Quest for Excellence
- ❖ Education to all, willing to become Teacher Educators, irrespective of caste, creed or religion.

Avinash Kumar Seth
Secretary

Secretary's Message

Choosing a college of education is a significant decision, and Grizzly College of Education is recommended for ambitious individuals aspiring to become quality teachers. The college prides itself on focusing on the needs of each student, nurturing them for success and enhancing their future prospects. Grizzly College of Education is a diverse and friendly learning community where students progress well, achieving positive outcomes in either jobs or higher education. A strong emphasis is placed on providing support and encouragement to help students achieve success and shape their desired future.

The quality of a nation is directly linked to the quality of its citizens, which can be greatly influenced by the quality of education they receive. Teachers play a critical role in shaping the quality of education, and it is essential to have dedicated and talented teachers in every classroom. By recruiting promising individuals into teaching and providing them with excellent preparation and training, we can ensure the sustainability of teacher quality well into the 21st century.

Grizzly College of Education is committed to molding teachers who will educate the future learners of the nation, fostering adaptability and a commitment to lifelong learning. The institution aims to deliver quality education, achieve significant milestones in development, and pave the way for a prosperous future. Students are treated with respect, encouraged to be creative contributors to the community, and benefit from modern infrastructure and facilities that support a conducive learning environment. Joining Grizzly College of Education presents an opportunity to be part of a successful and forward-thinking institution.

Grizzly College of Education

Manish Kumar Kapsime
Chairman

Chairman's Message

Grizzly College of Education is a Teacher Training Institution that aims to meet the demands of the 21st century and provide a comprehensive education for the next generation of teachers. The institution aims to equip teachers with multidisciplinary perspectives, values grounded in Indian values, and the latest advances in education and pedagogy. The focus of teacher preparation has shifted from training to education to positively influence curriculum transactions, pupil learning, and social transformation. Teachers play a crucial role in fostering creativity and nurturing students into holistic entities, enabling them to face life's challenges with panache.

The enthusiastic teaching faculty continuously learns and imparts knowledge to students, providing them with academic and extracurricular activities. The institution aims to uplift students not only academically but also to serve as better citizens in society. The institution also imbibes moral values, and students are encouraged to show love for the college

Teachers play a crucial role in nurturing students' creativity and preparing them for life's challenges. The college's teaching faculty is dedicated to continuous learning and providing students with academic and extracurricular support. The goal is to uplift students academically and morally, fostering better citizens in society. Grizzly College of Education aims to create a lasting, mutually beneficial relationship with the academic world and welcomes individuals looking to contribute to the education sector.

Manish Kumar Kapsime
Grizzly College of Education

Deputy Director's Message

Dr. Sanjeeta Kumari
Deputy Director

Grizzly College of Education is dedicated to excellence and professional practice, offering diverse and inclusive programs that produce engaged student teachers who are involved in leadership roles. The college adapts to the changing role of teachers in the digital world by introducing new strategies, initiatives, and collaborative approaches.

The college has visionary management, providing a holistic platform for teaching, learning, research, sports, culture, community outreach, NSS, learning resources, career and employment training.

Our focus is upon complete development of individuals with professional, social human and communication skills, to meet the need of manpower in present competitive world. Our plans are unlimited and we seek your whole heart support and cooperation to achieve our goals and objectives.

We are continuously working hard as we believe in THROUGH DUTY TO GLORY. Our institute provides an environment, so as to develop perfect professionals with a dynamic personality. We impact quality education with co-curricular activities such as seminars, Group Discussions, Rangoli Competition, Quiz Competition, Awareness Programme, Christmas gathering, Sports, Speech Competition, Presentation, Workshops, Educational Excursion, Educational Survey and so on.

The continuous efforts of management, faculty, students, alumni, and other stakeholders have cultivated a culture of contentment and belongingness, with each endeavor considered precious and a sacred thread that keeps the Grizzly College of Education family together.

Dr. Sanjeeta Kumari
Grizzly College of Education

Principal's Message

Dr. Mridula Bhagat
Principal

I, Principal of Grizzly College of Education in Koderma, Jharkhand, is proud to be a part of NAAC accredited teacher training institution affiliated to Vinoba Bhave University, Hazaribag. The college focuses on academic commitment, skill development, and professional excellence, focusing on discovering and developing the inner qualities of student-teachers. The college's competent team of teachers monitors and mentors each student, valuing their achievements and encouraging them to overcome their shortcomings.

The college encourages teachers to design meaningful and participatory learning environments that include life skills for impressionable student teachers. The college is also active in conducting workshops, seminars, and co-curricular activities, exposing students to aspects beyond the curriculum, enhancing their professional and leadership excellence.

The college takes pride in providing the highest quality of education to student teachers, emphasizing teaching quality and practical learning. The motto is to empower student teachers for all-around development through education. We have dedicated and committed teachers that strive for the development of the students and the institution, by imparting knowledge through the role of facilitators.

We also focus on developing eternal virtues such as good behavior, self-discipline, and hard work. I am proud to be a part of this community where the staff makes it all possible and the students learn the tradition to carry it forward.

I am proud of the institute's dedication to make a better India through education and empowerment. I expect all student teachers to focus on their goals and wish them a bright future.

Dr. Mridula Bhagat
Grizzly College of Education

NAAC ACCREDITATION

Grizzly College of Education has achieved NAAC Accredited with 'B' Grade in 2022 and institution maintaining quality teacher education, holistic development of pupil teachers and strong desire to achieve the vision of the institution.

COURSE OFFERED

Grizzly College of Education provides 2 Years D.El.Ed. and 2 Years B.Ed. Programmes

FACILITIES

Library

Grizzly College of Education has well equipped library and arranged study room for trainee teachers as well as teacher educators. The library is equipped with fully digital and easy access for both trainee teachers and teacher educators. The periodical Journal, magazine, newspaper, and employment news are also available in the library. Library accommodates more than 100 reading seat for students and teacher. To determine, how far it will be succeeded in achieving the objective, one must determine the extent to which the users (students and faculties) use the resources of the library as an integral part of the curriculum. In other words, it means that teaching in the classroom must depend

more on the library than the textbooks. The library must become an integral part of the teaching program.

Smart Class

Grizzly College of Education promises technological enhancement and information of modern methods that provide quality education to the students for better learning outcomes with the help of technology. Traditional classrooms are losing their effectiveness and adapting smart classrooms in our educational institutions. Smart classes are equipped with the latest technology such as visualizes, smart boards, laptops/computers, internet connectivity, projectors, amplifiers, speakers, podiums, microphones, and many more. Smart classes help teachers deliver lectures more

effectively for a better learning experience. Teachers show practical solutions to the students using many education websites and apps. Quality education is an essential requisite in today's competitive environment. Technology has affected us in every aspect. Smart classes are a modernized method of education in the Indian education scenario provides quality education to students by helping them in better concept formation, concept elaboration, improvement in reading skills, and academic achievement.

Laboratories

The College has well equipped and furnished laboratories to facilitate student teachers to enhance

their teaching skills through experiments, demonstrations and live presentations. The necessary equipment and materials are made accessible to the student teachers as and when required during the normal course of study and examinations. The college aims at developing in the minds of the pupils the abilities of application, skills of experimentation, construction and improving among them scientific attitude, interest and appreciation values.

Purified Drinking Water (RO)

Grizzly College of Education provides purified drinking water with modern treatment technology using Filtration. There are two R.O. plants in operation to cater to the drinking water needs of all the students, staff members, supporting staff, and visitors. This water is pure, tasty, hygienic, and highly suitable for human consumption. The R.O. drinking water is dispensing through Water Coolers in the college provided at various locations. The rejected water from the treatment plants used for gardening and washing purposes. These plants not only facilitate the supply of safe drinking water but also obviate involved huge expenditure for procuring drinking water for a large number of people on the campus. Now the institution can be liberal in the provision of our own made R.O. water. This R.O. water is using for drinking purposes as well as cooking purposes. Cold Water during summer, fresh and pure drinking water provide to the students and staff through the Water Cooler. It is to ensure that

the students and staffs of the college remain hydrated during scorching heat with sound health.

First Aid

Grizzly College of Education has established the First Aid Committee to provide a safe and healthy life to its students, staff, and also visitors. The committee tries to assist the person by providing first aid treatment and ensuring that the college campus is safe for everybody. First Aid is the first and immediate assistance given to

any person suffering from either a minor or serious illness or injury, with care provided to preserve life, and prevent the condition to promote recovery. It is generally performed by someone with basic medical training. First aid is an important tool in quickly responding to accidents to ensure that injuries can be efficiently and promptly dealt with before a trained medical professional arrives to administer more specialized treatment.

Multipurpose Hall

Grizzly College of Education has a well-equipped space as a suitable multipurpose hall for hosting the seminar, conferences, symposiums, guest lectures, celebrating college foundation day, and various cultural programmes. The venue for all of these is the multipurpose hall, which is spacious and can easily accommodate a large gathering.

Remedial Classes

The Grizzly College of Education pays special attention to the slow learners. The institution takes care of slow learners and arranges remedial classes to enhance their performance as slow learners. The faculties take remedial classes with conduct counsel, provide learning materials, take tests, etc. The Teacher Educator periodically maintains their performance record.

Co-curricular Activities

The institution organises various co-curricular and extra-curricular activities for all-round development of student teachers like NSS, Swachha Bharat Abhiyan, Rangoli Competition, Speech Competition on various subjects, Celebration of Special Days, Beti Bachao Beti Padhao, Environment Awareness Programme, Sports, Yoga and Meditation, Community Outreach Programme, Educational Excursion, Educational Survey and Visiting Learning Centers.

Cultural Programme

Cultural Programme is one of the attractions and colourful events in Grizzly College of Education. Culture could be based on shared ethnicity, gender, customs, values, or even objects. Culture is our way of life. It includes our values, beliefs, customs, languages, and traditions. Our culture measures our quality of life, our vitality, and the health of our society. Through our culture, we develop a sense of belonging, personal and cognitive growth, and the ability to empathize and relate to each other. Grizzly College of Education and students give more priority and importance to improve these values and customs. These characteristics are that all cultures are learned, shared, symbolic, integrated, and dynamic. Cultural inheritance is very important to transfer. It refers to the storage and transmission of information by communication, imitation, teaching, and learning. It is transmitted by the brain rather than by

genes. However, it does have a genetic basis; the genes involved determine the structure of the brain.

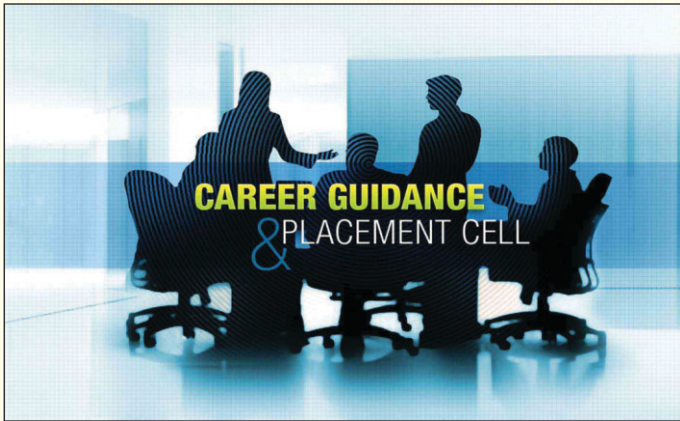

Yoga & Meditation

Grizzly College of Education is dedicated to helping students achieve their goals through yoga and meditation, which have been shown to improve quality of life and reduce stress. These practices can help students overcome obstacles in their academic lives by enhancing concentration and reducing mental pressure. The education system is increasingly recognizing the benefits of yoga and meditation, as they contribute to good health and relaxation. By incorporating these practices into their daily routine, students can improve their immune system, clarity of thought, and emotional control. This enables them to make better decisions and manage their reactions in all aspects of their lives. Overall, yoga and meditation are valuable tools for students to lead healthier & more balanced lives academically and socially.

Placement Cell

Placement Cell is an integral part of Grizzly College of Education. It functions to ensure the best placements for the students Trainee Teachers from College. The Placement Cell of Grizzly College of Education plays a crucial role in locating job opportunities for trainee teacher passing out from the college by keeping in touch with reputed firms and school. The Placement Cell is active round the year to facilitate contacts

between schools and pass out trainee teacher. The Placement Cell organizes career guidance programmes for the trainee teacher starting from 1st semester of the academic year. The cell organises training programmes like Mock Interviews, Group Discussions, Communication Skills, etc.

Community Outreach Programme

Grizzly College of Education aims to support neglected and deprived members of society by fostering relationships and integrating them back into their communities. They combat illiteracy, provide computer and English education, and distribute blankets in the winter through community outreach programs. The institution focuses on building strong relationships, supporting disadvantaged individuals, and empowering dropout students. Teachers and

trainees work together towards societal development, prioritizing equity and equality for all individuals.

Alumni Association

The Grizzly College of Education Alumni Association fosters a lifelong spirit of belonging and pride by connecting alumni to Grizzly College of Education and each other. The Alumni Association advocates for the college and its alumni with a credible, independent and collaborative voice. The Alumni Association Registered under the Society Act.

Student Support Progression

The Grizzly College of Education has structured support and mentoring mechanism with teacher educators. The Principal is the Executive-Head to supervise and monitors the mentoring system. Heads of the respective Departments, under the guidance of the Principal, supervise the mentoring. Apart from Class in-charges, individual mentors are assigned some groups for personalized attention and counseling.

Free CTET/JTET Coaching

Grizzly College of Education is a NAAC-accredited teacher training college that offers free CTET/JTET/TET Classes & Tests to all teacher trainees in order to have the greatest number of students qualify for CTET/JTET/TET. The institution provides quality teacher education and comprehensive support of a multidimensional outlook for becoming a talented teacher. The qualified faculties are conducting CTET/JTET/TET classes with spoken English training, which helps them develop their communication skills.

Scholarship

The students, who are permanent residents of Jharkhand state, are offered to a number of scholarships to fund their education at the college level. A scholarship is intended to help meritorious and deserving students to pursue their dream education without financial constraints. The state government

runs the scholarship with the objective of enhancing the current educational scenario of the state. To ensure the successful application of e-Kalyan and NSP, it needs to provide certain supporting documents along with your application. These are the important documents you need to keep handy before applying for these scholarships.

Student Orientation-cum-Induction Programme

The Chairman, Secretary, Deputy Director, Principal, and faculty members of Grizzly College of Education welcomed new B.Ed. and D.El.Ed. students for the academic year at an Orientation-cum-Induction Programme. The program aims to introduce students to college life, help them adjust to their new environment, and allow faculty to meet the new members of the college community. It provides essential information to address doubts and queries, and to positively engage

students as they start a new phase of their education, alleviating any anxiety they may have.

Personality Development Programme

Personality development and self-awareness are emphasized by experts at the institution to enhance the teacher trainees' overall development. Education plays a crucial role in shaping one's personality as it equips individuals with essential knowledge, skills, critical thinking abilities, and decision-making capabilities. Education also aids in nurturing positive relationships with others. Effective communication is vital for teacher

trainees to engage in class discussions, ask questions, and deliver presentations. Leadership qualities are essential for success in any career path, including teaching. Confidence and social comfort are key attributes for students' success, as shy or self-conscious students may struggle to participate in class or connect with peers. Personality development helps students overcome these challenges and build confidence for personal and professional growth.

Understanding the self programme

The Understanding the Self program, led by experts, helps teacher trainees gain insight into their identity and

reactions, guiding them toward self-improvement. Self-awareness is essential for trainees' success, as it instills confidence in their abilities and drives them to excel. Social-emotional self-awareness involves comprehending one's thoughts, emotions, and values, and how they impact behavior. Trainees must assess their strengths and weaknesses properly while maintaining confidence, motivation, and a willingness to develop.

Skill Development

Grizzly College of Education prioritizes skill development through courses in Spoken English, Computer literacy, Poster making, Rangoli competition, Speech competition, Sports, Dance competition, Essay writing competition, Quiz

competition, Diya making, etc. The curriculum is designed to focus on identifying, understanding, and analyzing students effectively. Teacher training courses enhance critical thinking, interpersonal skills, problem-solving, and communication essential for effective teaching.

NSS Unit

Grizzly College of Education is affiliated with the National Service Scheme (NSS), aimed at benefiting students and society in various ways. NSS helps students develop individually and as a group, boosting confidence, leadership skills, and understanding of diverse individuals. It also imparts discipline, organization, and other essential life skills. Following the principle of "NOT ME BUT YOU," NSS encourages candidates to collaborate with society for mutual benefits, including environmental protection, health, cleanliness, and aiding those in need during emergencies. Sponsored by the Indian government and operating under the Department of Youth Affairs and Sports, NSS aims to instill the spirit of nation-building through social work among students.

Anti-Ragging

Grizzly College of Education maintains a healthy and congenial academic environment for students. The institution offers protection to the new entrants from the menace of ragging. In this regard, this institution has constituted an anti-ragging cell. An Anti-Ragging Cell

should be one of the important parts of an educational institution's mechanism. As per the guidelines of UGC under the Act of 1956, which were modified as UGC regulations on curbing the menace of ragging in higher educational institutions in 2009, the establishment of an Anti-Ragging Cell is very compulsory.

Grievance Cell

The main objective of the Grievance Redressal Cell of Grizzly College of Education is to ensure an approachable and responsible attitude among the staff towards the students to uphold harmony on the campus. The function of the cell is to look into the complaints lodged by any student and judge their grievance. The grievance cell is also empowered to look into matters of harassment. Anyone with a genuine grievance may approach the department members in person or in consultation with the Student Council. In case the person is unwilling to appear in person, grievances may be dropped in writing at the letterbox/suggestion box of the Grievance Cell.

Mentoring System

Grizzly College of Education is implementing a new mentoring system where faculties play a vital role in guiding student teachers. Mentorship is seen as a personal and relationship-building learning opportunity, where mentors offer professional and personal advice. Mentees, in turn, provide feedback on

various aspects of their career development. These programs aim to teach valuable academic and professional skills, as well as help students balance their personal and professional lives with emotional support when needed.

College Canteen

The Canteen and meal service at Grizzly College of Education have been efficiently operating since the College's establishment in 2009. The main objective is to ensure food safety by reducing the risk of food-borne illnesses and preventing adulterated food through proper sanitary conditions. The canteen, located within the College, is directly managed by the College Administration. Menu planning is carried out according to the Management's instructions. The appraisal also includes discussions on liberalization of food trade, consumer demand, physical setup, and sanitary conditions. Feedback from food consumers is welcomed, and efforts are made to address suggestions, complaints, and problems. Meals are provided to all, with a focus on ensuring food safety and quality. Waste utilization is efficiently managed through a waste recycling plant and a bio-gas plant installed near the canteen, where bio-degradable waste is converted into manure and gas for cooking. The canteen and its surroundings are maintained clean and tidy, with a ban on plastic bags of less than 10 microns within the campus.

Admissions

a. Eligibility Criteria (B.Ed.)

1. Candidate with at least 50% (45% in case of SC/ST/OBC PWD & other reserved categories) either Bachelor's Degree and /or in Master's Degree in Science/Social Science/Humanities/Commerce, Bachelor's in Engineering or Technology with specialization in Science and Mathematics with 55% (50% in case of SC/ST/OBC PWD & other reserved
