GRIZZLY COLLEGE OF EDUCATION

(AUTONOMOUS)

About the College

Grizzly College of Education (Autonomous) is located in an educationally backward and rural area and was established in 2009 and has a smoothly running B.Ed. and D.El.Ed. Programmes through the Grizzly Charitable Trust, established in 2007. The institution maintains the quality of education and accredited with 'B' grade by the NAAC in 2022, recognised under Section (2f) of the UGC Act, 1956 in March, 2025 and first autonomous B.Ed. College of Jharkhand in 2025. The institution has appointed qualified and permanent faculty as per NCTE and UGC guidelines. The institution is affiliated to Vinoba Bhave University, Hazaribag and JAC, Ranchi, Jharkhand.

Grizzly College of Education was founded with the aim of creating a high-quality professional education where students would receive expert instruction and individual support. It was felt that to fulfil the dearth of trained and skilled teachers in the state of Jharkhand, there was an urgent need for high-quality professional primary and secondary teacher training at a reasonable cost.

The college is focused on offering excellent education by using up-to-date teaching methods

and approaches. It is set to grow into a top institution that offers both higher learning and research across different fields. The institution also wants to inspire students to keep learning throughout their lives and to help those who haven't had access to education yet. It wants to create good teachers who can help build a learning society because having good teachers means having good education and that kind of education shapes the good qualities of people in a society. Our college is dedicated to ensuring high quality, excellence and strong standards in teacher education. The entire campus is set up with Wi-Fi. We are moving towards being recognized as the center of excellence in teacher education.

Vision

The Institution becomes a knowledge hub where the next generation teachers would be equipped with a multidisciplinary perspective of knowledge; grounded with values rooted in Indian culture and history; empowered with twenty-first-century skills; and committed to professional excellence to produce manpower for the country as well as for the global world.

Mission

- ◆ To Provide experience-based learning for multifaceted development.
- ◆ To contribute to National development through teacher education.
- ◆ To integrate pedagogy and technology for learning.
- ◆ To promote self-learning and group learning.
- ◆ To develop global competencies and life skills among students.
- ◆ To acquire multilingual skills and demonstrate effective communication.
- ◆ To relate knowledge with day-to-day experience.
- ◆ To adopt technology to address the explosion of knowledge.
- ◆ To imbibe constitutional and human values based on Indian culture.
- ◆ To follow inclusive practices in all activities organized by the institution.
- ◆ To identify the uniqueness of every learner and nurture him/her.

Objectives

- ◆ To equip the prospective teachers with a multi-disciplinary and multi-dimensional outlook.
- ◆ To enable the primary and secondary teachers to acquire multi-language skills.
- ◆ To develop proper attitudes towards teaching as a profession.

- ◆ To enable teachers to make proper use of instructional facilities.
- ◆ To enable teachers to understand Indian history and culture.
- ◆ To hone guidance and counseling abilities.
- ◆ To equip them to acquire competencies relevant to stage-specific pedagogy, curriculum development, its transaction and evaluation.
- ◆ To transform oneself and society to empower people to assume responsibility for creating a sustainable future.

Values

To inculcate the following values among the Pupil-Teachers:

- ◆ Academic Integrity, Competence and Proficiency.
- ◆ Cultural Sensitivity and Tolerance.
- ◆ Social Affinity and Inclusion.
- ◆ Duty, Responsibility & Accountability.
- ◆ Professional Honesty and Commitment.
- ◆ Respect for Human Freedom and Dignity.
- ◆ Sensitivity to Diversity, Equity and Social Justice.
- ◆ Appreciation of Originality, Creativity and Research.
- ◆ Quest for Excellence.
- ◆ Education to all, willing to become Teacher Educators, irrespective of caste, creed or religion.

Mr. Manish Kumar Kapsime
Chairman

Chairman's Message

Grizzly College of Education (Autonomous) serves as a Teacher Training Institution designed to address the needs of the 21st century while offering an extensive education for future educators. Teacher preparation now emphasizes education over training to effectively impact curriculum implementation, student learning and societal change.

Grizzly College of Education seeks to establish a persistent, advantageous partnership with the academic community and invites those interested in enhancing the education field.

Manish Kumar Kapsime
Grizzly College of Education
(Autonomous)

Mr. Avinash Kumar Seth
Secretary

Secretary's Message

Selecting a college of education is an important choice and Grizzly College of Education (Autonomous) is suggested for driven individuals looking to become excellent teachers. Grizzly College of Education is an inclusive and welcoming academic community where students thrive, attaining favourable results in employment or further education.

This institution is dedicated to shaping educators who will teach the next generation of learners, encouraging flexibility and a dedication to continuous learning. Enrolling in Grizzly College of Education offers a chance to engage with a thriving and progressive organization.

Avinash Kumar Seth
Grizzly College of Education
(Autonomous)

Mr. Tanishq Seth
Chief Operating Officer (COO)

Chief Operating Officer's Message

Welcome, teacher trainees at Grizzly College of Education (Autonomous), we believe that teachers are the architects of the future. Our mission is to empower every learner to become an inspiring educator, a lifelong learner and a globally competent citizen who upholds the values of excellence, equity, sustainability and service to humanity. Together, let us build an enlightened and inclusive society through the transformative power of quality education.

In an era shaped by rapid technological advancement and global interconnectedness, our curriculum integrates artificial intelligence (AI), digital literacy and essential 21st-century skills-including critical thinking, creativity, communication, collaboration, entrepreneurship and problem-solving. We actively encourage research, innovation, community engagement and the effective use of educational technology to prepare teachers who can lead classrooms with confidence and adapt to the evolving needs of society.

Tanishq Seth
Grizzly College of Education
(Autonomous)

Dr. Mohit Kumar Tiwari
Principal

Principal's Message

Welcome to Grizzly College of Education. With the attainment of Autonomous Status in 2025, our institution has embarked on a transformative journey of academic excellence, innovation and quality enhancement. We offer B.Ed. and D.El.Ed. programmes that nurture professional competence, ethical values, leadership and a lifelong commitment to learning.

Aligned with the vision of the National Education Policy (NEP) 2020, we are committed to provide holistic, multidisciplinary, learner-centric and outcome-based teacher education. Our academic environment promotes experiential learning, flexibility, critical inquiry, Indian knowledge systems, inclusive education, environmental consciousness and value-based education, enabling our students to become reflective practitioners and responsible nation-builders.

Best wishes,

Dr. Mohit Kumar Tiwari
Grizzly College of Education
(Autonomous)

Grizzly College of Education has well equipped library and arranged study room for trainee teachers as well as teacher educators. The library is equipped with fully digital and easy access for both trainee teachers and teacher educators. The periodical, journal, magazine, newspaper and employment news are also available in the library. Library accommodates more than 100 reading seats for students and teacher.

Smart Class

Grizzly College of Education promises technological enhancement and information of modern methods that provide quality education to the students for better learning outcomes with the help of technology. Technology has affected us in every aspect. Smart classes are a modernized method of education in the Indian education scenario provides quality education to students by helping them in better concept formation, concept elaboration, improvement in reading skills and academic achievement.

Laboratories

The College has well equipped and furnished laboratories to facilitate student teachers to enhance their teaching skills through experiments, demonstrations and live presentations. The college aims at developing in the minds of the pupils the abilities of application, skills of experimentation, construction and improving among them scientific attitude, interest and appreciation values.

Purified Drinking Water (RO)

Grizzly College of Education offers clean drinking water through the use of advanced filtration technology. A clean water supply is available for all students, teachers, support workers, and visitors to drink. The purpose is to make sure that the students and staff at the college stay hydrated so they can stay healthy.

Multipurpose Hall

Grizzly College of Education has a well-equipped space as a suitable multipurpose hall for hosting the seminar, conferences, symposiums, guest

lectures, celebrating college foundation day, and various cultural programmes. The venue for all of these is the multipurpose hall, which is spacious and can easily accommodate a large gathering.

Remedial Classes

The Grizzly College of Education pays special attention to the slow learners. The institution takes care of slow learners and arranges remedial classes to enhance their performance as slow learners. The faculties take remedial classes with conduct counsel, provide learning materials, take tests, etc. The Teacher Educator periodically maintains their performance record.

Co-curricular Activities

The institution organises various co-curricular and extra-curricular activities for all-round development of student teachers like NSS, Swachha Bharat Abhiyan, Rangoli Competition, Speech Competition on various subjects, Celebration of Special Days, Beti Bachao Beti Padhao, Environment Awareness Programme, Sports, Yoga and Meditation, Community Outreach Programme, Educational Excursion, Educational Survey and Visiting Learning Centers.

Cultural Programme

Cultural Programme is one of the attractions and colourful events in Grizzly College of Education. Culture could be based on shared ethnicity, gender, customs, values, or even objects. Culture is our way of life. It includes our values, beliefs, customs,

languages, and traditions. Through our culture, we develop a sense of belonging, personal and cognitive growth and the ability to empathize and relate to each other. Cultural inheritance is very important to transfer.

Yoga & Meditation

Grizzly College of Education is dedicated to help students achieve their goals through yoga and meditation, which have been shown to improve quality of life and reduce stress. These practices can help students overcome obstacles in their academic lives by enhancing concentration and reducing mental pressure. This enables them to make better decisions and manage their reactions in all aspects of their lives. Overall, yoga and meditation are valuable tools for students to lead healthier & more balanced lives academically and socially.

Placement Cell

Placement Cell is an integral part of Grizzly College of Education. It functions to ensure the best placements for the students Trainee Teachers from College. The Placement Cell of **Grizzly College of Education** plays a crucial role in locating job opportunities for trainee teacher passing out from the college by keeping in touch with reputed firms and school. The Placement Cell organizes career guidance programmes for the trainee teacher starting from 1st semester of the academic year.

The cell organises training programmes like - Mock Interviews, Group Discussions, Communication Skills, etc.

Community Outreach Programme

Grizzly College of Education aims to support neglected and deprived members of society by fostering relationships and integrating them back into their communities. They combat illiteracy, provide computer and English education, and distribute blankets in the winter through community outreach programs.

Alumni Association

The Grizzly College of Education Alumni Association fosters a lifelong spirit of belonging and pride by connecting alumni to Grizzly College of Education and each other. The Alumni Association advocates for the college and its alumni with a credible, independent and collaborative voice. The Alumni Association Registered under the Society Act on 12th March 2019.

Student Support Progression

The Grizzly College of Education has structured support and mentoring mechanism with teacher educators. The Principal is the Executive-Head to supervise and monitors the mentoring system. Heads of the respective Departments, under the guidance of the Principal, supervise the mentoring. Apart from Class In-charges, individual mentors are assigned some groups for personalized attention and counseling.

Free CTET/JTET/TET Classes & Tests

Grizzly College of Education offers free CTET/JTET/TET Classes & Tests to all teacher trainees in order to have the greatest number of students qualify for CTET/JTET/TET. The institution provides quality teacher education and comprehensive support of a multidimensional outlook for becoming a talented teacher. The qualified faculties are conducting CTET/JTET/TET classes with spoken English training, which helps them to develop their communication skills.

Student Orientation cum Induction Programme

The Chairman, Secretary, COO, Principal and faculty members of Grizzly College of Education welcome new B.Ed. and D.El.Ed. students for the academic year as Deeksharambh (Induction) Programme. The program aims to introduce students to college life, help them adjust to their new environment and allow faculty to meet the new members of the college community.

Personality Development Programme

Personality development and self-awareness are emphasized by experts at the institution to enhance the teacher trainees' overall development. Education also aids in nurturing positive relationships with others. Effective communication is vital for teacher trainees to engage in class discussions, ask questions and deliver presentations. Personality development helps students overcome these challenges and build confidence for personal and professional growth.

Skill Development

Grizzly College of Education prioritizes skill development through courses in Spoken English, Computer literacy, Poster making, Rangoli competition, Speech competition, Sports, Dance competition, Essay writing competition, Quiz competition, Diya making, etc. The curriculum is designed to focus on identifying, understanding, and analyzing students effectively. Teacher training courses enhance critical thinking, interpersonal

skills, problem-solving, and communication essential for effective teaching.

NSS Unit

Grizzly College of Education is affiliated with the National Service Scheme (NSS), aimed at benefiting students and society in various ways. NSS helps students develop individually and as a group, boosting confidence, leadership skills and understanding of diverse individuals. It also imparts discipline, organization and other essential life skills. Following the principle of "NOT ME BUT YOU."

Anti-Ragging Cell

Grizzly College of Education maintains a healthy and congenial academic environment for students. The institution offers protection to the new entrants from the menace of ragging. In this regard, this institution has constituted an anti-ragging cell. An Anti-Ragging Cell should be one of the important parts of an educational institution's mechanism.

Student Grievance Redressal Committee

The main objective of the Student Grievance Redressal Committee of Grizzly College of Education is to ensure an approachable and responsible attitude among the staff towards the students to uphold harmony on the campus. The function of the cell is to look into the complaints lodged by any student and judge their grievance.

Student Grievance Redressal Committees are also empowered to look into matters of harassment. Anyone with a genuine grievance may approach the department members in person or in consultation with the Student Council. In case, the person is unwilling to appear, grievances may be dropped in writing at the letterbox/suggestion box of the Student Grievance Redressal Committee.

Mentoring System

Grizzly College of Education is implementing a new mentoring system where faculties play a vital role in guiding student teachers. Mentorship is seen as a personal and relationship-building learning opportunity, where mentors offer professional and personal advice. Mentees, in turn, provide feedback on various aspects of their career development. These programs aim to teach valuable academic and professional skills, as well as help students to balance their personal and professional lives with emotional support when needed.

College Canteen

The Canteen at Grizzly College of Education has been efficiently operating since the College's establishment in 2009. The canteen, located within the College, is directly managed by the College Administration. Menu planning is carried out according to students' demand.
